Our Town

A MAN'S PRAYER.

Let me live, Oh Mighty Master,
Such a life as men should know,
Tasting triumph and disaster,
Joy—and not too much of woe;
Let me run the gamut over,
Let me fight and love and laugh,
And when I'm beneath the clover
Let this be my epitaph:
"Here lies one who took his chances
In this busy world of men,
Battled luck and circumstances,
Fought and fell, and fought again;
Won sometimes—but did no crowing,
Lost sometimes—but did not wail,
Took his beating—but kept going,
Never let his courage fail,
He was fallible and human,
Therefore loved and understood
Both his fellow-man and woman,
Whether good or—not so good;
Kept his spirit undiminished,
Never lay down on a friend,
Played the game till it was finished,
Lived a sportsman to the end."
—SELECTED.

Visions of civic endeavor entertained by 'our town" editor during the past few months during which time a plea for the Yoe High school has been made, are to be realized. The city in conjunction with the estate has worked a plan to make these improvements and to give the school its proper civic surroundings. All the city feels proud that this needed work is to be done.

Friday night the Commercial Club will hold its second meeting of the year. The importance of the business men and members generally attending the meetings are emphasized by the important position the club occupies with respect to the civic life of the town. Let every director and officers be present Friday night.

Cameron is deficient in the construction of sidewalks in the residence sections of the city. No better time than now to begin building side walks and keep out of the mud during the winter months. With the street paving program under way the importance of side walk building is made more plain.

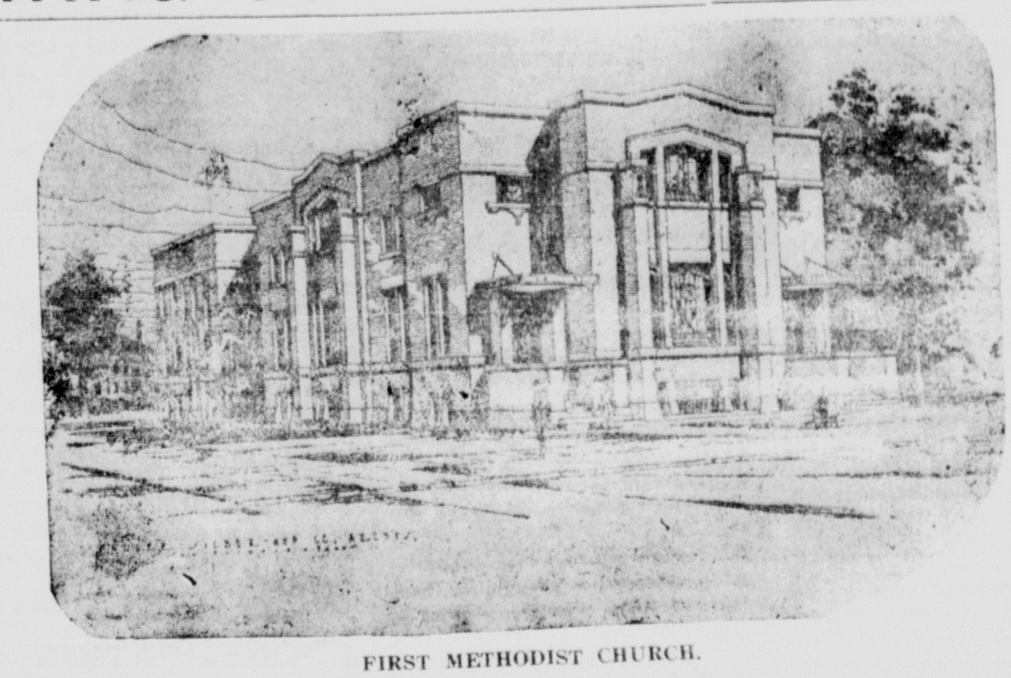
The pupils of the fifth grade in the grammar school in undertaking war on the mosquito emphasize the old Bible saw "a little child shall lead them." Picture if you will the sordid, careless health policy of a city that by its inactivity makes it necessary for fifth grade pupils to take up an important phase of health work. This work is commendable for the pupils and the teacehr but it condemns in strongest terms the policy of neglect on the part of the health authorities. Let us hope that the rest of the citizens will not fail to cooperate with the little children in trying to save the city from the ravages of disease brought on by the mosquito. Blessings on the strong children who are now leadnig weak men.

Thursday a small child whose name is withheld was painfully injured while attempting to cross a street going to school. The child was run down by a careless driver and while of course not intentionally it never the less emphasizes the fact that greater restrictions should be used in operating cars. In 1922 twelve thousand people were killed in America from auto accidents and nearly a million injured. The great trouble is that a reckless few are criminally drunk with the fascination of the steering wheel and have no regard for the lives of themselves or the lives of others. Not all the criminals in this country wield the bludgeon or fire the deadly bullet. A considerable sprinkling of them step on gasoline.

Things are looking up for the old town. Thirty blocks and more of paving looming ahead. a disposal plant about ready to build, agitation for side walks. better schools, and other things yet to come. Cameron may now push forward to the city class and look to her future growth as the big center for this section. Cameron needs more homes and more business buildings. Cameron needs an office building and a municipal building and down town auditorium.

H. H. Pruett, superintendent of the Yarrellton school, was a business visitor in the city Tuesday afternoon. The students of the Yarrellton school, with the assistance of the faculty, are planning an entertainment for Friday night, October 19, which should be liberally patronized by patrons and friends. A good pro-program will be furnished and refreshments of various kinds offered for sale.

PAVING CONTRACT WILLL BE LET ON NOVEMBER 6



FIRST METHODIST CHURCH.

Beginning November 20 the Texas Conference for the Methodist church will be held in Cameron and the sessions of the Conference will be held in the church building as shown above, one of the finest in Texas.

VACCINATION OF DOGS REQUIRED BY ORDINANCE

CITY WILL REGULATE OWERSHIP OF DOGS AS GUARANTEE AGAINST RABIES.

Vaccination of dogs in the City of Cameron is required by ordinance passed at the session Tuesday night.

This measure of protection is taken by the city to insure the public against dangers of hydraphobia from dogs and all dog owners in the city are now required to have their dogs vaccinated at least once a year to insure them against rabies.

All dogs not accounted for through the vaccination system will be taken up and shot. The ordinance governing the vaccination of dogs is published in this issue.

Dr. Sutton, sanitary officer for the City of Cameron will have charge of this work. The vaccination fee will be $2.50 and the sanitary officer will issue a metal tag to be fastened to the collar of the dog to protect the dog against the officers who will enforce the law.

During the summer several persons living in the city were bitten by dogs with rabies and on two occasions it has been necessary for the city to ask the dog owners to keep their dogs up and not let them run at large.

From now on the dogs not vaccinated will be shot. The vaccination is cheap and saves the dog from rabies infection. The city feels that in passing this ordinance it has given a good measure of protection to the people.

The ordinance was passed with the emergency clause getting a full vote of the council and is now in effect. Please see Dr. Sutton at once and arrange to save your dog.

HIGH SCHOOL CAMPUS TO GET NEEDED ATTENTION

CITY AGREES TO PROGRAM OF IMPROVEMENT FOR THE YOE HIGH SCHOOL.

After long months of struggle to force to the attention of the authorities needs for civic improvement of the Yoe High school grounds agreement has been reached whereby the city of Cameron will co-oprate in an improvement program in which the services of a landscape artist is to be had.

The city will build the streets and will place a side walk about the grounds.

A. N. Green executor of the estate will build the walk ways to the entrances of the school and will employ a landscape artist to plan the improvement of the grounds. In the front of the building property purchased will be used to make a two way street with park in the center.

This work is to begin at once so as to realize the improvements before the winter weather sets in.

Superintendent T. A. Fisher is taking a leading part in this work. The campus is to be raised and made beautiful.

VACCINATION OF DOGS SANITARY OFFICER FOR CITY OF CAMERON NAMED

DR. G. E. SUTTON WILL ENFORE SANITARY LAWS OF CITY OF CAMERON.

Dr. G. E. Sutton, veterinary who has been with the bureau of animal industry for the federal government for a long time and who recently returned to Cameron, has been named by the city council to be Sanitary officer for the city and will have charge of the enforcement of the sanitary laws of the city.

Dr. Sutton is now engaged in testing the dairy heards for the city milk supply to find whether any of the cows have tuberculosis and to require the dairies to comply with the sanitary regulations laid down in the ordinance recently passed by the council.

In addition the sanitary officer will enforce the vaccination ordinance for dogs against rabies and will inspect the markets, restaurants and cold drink parlors and enforce generally the sanitary laws in the city of Cameron.

The matter of sewerage connections will likely be refered to Dr. Sutton for his supervision. The city voted Dr. Sutton a salary and he is now serving as the accredited officer of the city.

Better sanitary regulations has been the aim of the administration and the council believes the work that Dr. Sutton will do along sanitary lines, including mosquito control will be of great benefit to the health of the city.

AGED CITIZEN BURIED MONDAY

H. G. Sanders, an aged citizen of the county, whose home was near Pettibone, was buried in Oakhill Cemetery Monday afternoon. Mr. Sanders has been a member of the Masonic Lodge since early manhood and was buried with Masonic rites by the San Andres lodge of Cameron.

Try Meritt Bread next time at Parma's.

FIFTH GRADE PUPILS TO WAGE WAR ON MOSQUITO

ASK CO-OPERATION OF CITIZENS IN FIGHT TO ERADICATE PESTS.

We want every man, woman and child in Cameron to help us kill mosquitoes!

During the past year mosquitoes cost the state of Texas $25,000,000 from dengue fever alone. The only way that dengue, malaria, or yelow fever can be spread is by the bite of the mosquito. We well remember epidemic of dengue fever which we had in Cameron last year. This fever is gaining a foothold in some Texas cities this year. A few cases have been reported in Cameron.

The fifth grade class in the Study Hall has decided that dengue shall not get started in Cameron this year. In order to prevent it, we are carrying on a fight against mosquitoes under the direction of our teacher, Miss Wendt.

The first thing we did was to examine the premises around our own homes for the breeding places of mosquitoes, and to destroy them if possible. The following is a list of the breeding places found by our class, and the number of pupils that actually found wigglers in them:

Under and around barns	13
Lakes	3
Tanks and ponds	3
Cisterns	7
Tin cans	14
Wood piles	7
Under bridges	5
Muddy places	10
Gutters	29

To destroy these wigglers we poured kerosene oil on all places of standing water. We took a hammer and nail and knocked holes in all tin cans to prevent water standing in them. We have tried to get top water minnows for tanks and lakes.

The pupils of the grammar school have promised to help us, but we need the co-operation of every citizen in Cameron. Let's get behind this move, and fight these mosquitoes.

5 A GRADE.

Miss Annie McLane, who has been in Eureka Springs, Arkansas for the summer is expected home the last of this month.

Train Stops In Eight Feet Of Negro Porter Lying On Tracks Seriously Injured

The life of a negro porter on a Santa Fe train was saved at Milano early this morning when an International and Great Nortehrn passenger train drew to a stop within eight feet of the negro as he lay unconscious on the tracks.

The version of the story is told by Agent H. C. Keith at Cameron who learned the details from the crew. The negro, a porter on a Santa Fe Passenger train fell from the train at Milano and was seriously injured. The incoming I. & G. N. train was stopped within eight feet of the negro and he was saved.

The negro was picked up unconscious and brought to the Cameron Hospital for treatment. No cause is assigned for the accident which befell the negro as he fell from the moving Santa Fe train.

METHODIST CONFERENCE MEETS HERE NOV. 20TH

HUNDREDS OF DELEGATES EXPECTED AND MANY NOTED MINISTERS COMING.

The Texas Annual Conference which meets this year in Cameron with the Methodist church will convene on November 20. Regarding the coming conference Rev. Ira F. Key, pastor of the church has given out the following statement:

"Quite a number of people have been asking questions about the approaching session of the Texas Annual Conference which is to be held in Cameron. Perhaps a brief statement in the paper will afford some information which is desired.

"1. The conference proper will convene Wednesday morning November 21 at nine o'colck. However the opening sermon will be preached on Tuesday night before November the 20th. This will be delivered either by one of the Bishops of our church or some man of known ability in our church.

"2. Most of the members of the conference will arrive here on the afternoon and night trains of November 20th. There will be between 350 and 425 of them and they will remain in the city until perhaps about noon Monday of the following week.

"3. The morning hour during the conference will be taken up with the conference session and the afternoon will be given over to committee meetings. In the afternoon of each day there will be preaching, say about 3:30 and then again at night. Dr. Paul B. Kern, who preached the opening sermon in our church has kindly consented to preach five sermons during the conference. Bishop Moore will preach Sunday morning at eleven o'clock. There will be others to preach during the conference about which announcements will be made in due time.

"4. Quite a number have asked about entertainment. Those who take delegates will be expected to serve three meals a day. If some can feed delegates but not room them or vice versa, the committee on arrangements will be glad to get these facts and perhaps some plan can be worked out. A number of people from the other churches have asked if they will be permitted to have delegates. Most assuredly yes! This is a big undertaking and we will appreciate any assistance given by our sister churches, and if anyone from other churches desires to take delegates we will be glad for you to call Mrs. W. O. Trigg, chairman of the Committee on homes and tell her how many you want.

"5. One other question is asked: Does this conference take in all of Texas. No! There are five other conferences in the State as large, and one or two mission conferences.

"From time to time announcements will be made of the plans and we hope to keep the public informed as to all the details."

HIGHWAY REPORT.

Thursday Oct. 18, 11:00 a. m.

Highways are improving and motorists are coming through.

Route to San Antonio via Rogers is open and with the exception of the short stretch around Pflugerville the route is fair to good.

Houston via Hearne, rough in places but passable.

Waco via Temple fair to good.

Waco via Rosebud, passable this afternoon.

Caldwell via Milano open all the way. Rough through Milano and through Burleson county. The newly constructed highway through Milam county is dangerous, go slow in passing cars.

Thorndale route via Lilac rough in the Alligator bottom.

Misses Minnie Nell and Gladys Blaylock, daughters of Mr. and Mrs. L. L. Blaylock, left Sunday afternoon for Sandy Ridge and will have charge of the school at that place again this year.

BETTER STREETS SLOGAN OF COUNCIL IN PROGRAM

BIDS WILL BE OPENED ON NOVEMBER 6 FOR THE FIRST PAVING PROGRAM.

Thirty or more blocks aggregating some 59,000 square yards of Uvalde Rock Asphalt laid two inches on a gravel base of not less than eight inches will be paved by the city, launching the first paving enterprise in the history of the town.

Sealed proposals for this amount of paving and with a strong probability of even greater area have been asked by the council to be opened on November 6, the next regular meeting of the Council. At this time the city will enter contract for the paving and will issue warrants to defray the costs.

County Engineer A. F. Mitchell will write the specifications for the paving and will act for the city in the capacity of supervising engineer. The asphalt will be laid hot if the engineer recommends it and the margin of difference is not too great between this type and the cold asphalt type. Two inches will be laid in the mercantile districts.

No residence district paving in undertaken at this time but the council will encourage the action of property owners throughout the city to get the signatures of the property owners on their streets and present same to the coucil so that the paving may be extended from the merchantile districts to practically every portion of the city.

The city is proceeding under Chapter ten of the statutes and all legal details are under the supervision of Paul Webb, city attorney who has worked out the proceedure and is approved by the attorney general of Texas.

The city will issue warrants for the price of the paving and will by proper cointract collect from the property owners, offering to extend paving costs over a period of five years if desired by the property owners. The paving will be laid at a cost very much below the brick and bitulific types of paving.

In the residence sections the streets are to be twenty feet wide and with cement curbing giving a neat appearance.

Engineering service will be required by the city to reshape the streets and to make them uniform in every way and to provide for proper drainage and storm sewers.

TURKEY PRICES AT 18C IN CAMERON MARKETS

FALL MOVEMENT OF TURKEY CROP BEGINS WITH FAIR PRICES BEING PAID.

Marketing of the 1923 crop of Turkeys in the Cameron trade territory has begun with the price obtaining at 18 cents per cound.

Announcement of the price is made by E. V. Ferguson of the Peter Co., in Cameron who has just returned from Dallas where he attended the meeting of the State Poultry Convention Saturday.

Prediction is made by the convention that turkey prices will be one third lower than last year, according to Mr. Ferguson. Prices are expected to be from 18 to 20 cents this year and thirty-three and a third cents lower than last year.

The reason for the lower prices is said to be because there is in storage at this time seven and a half million pounds as against three million lbs. last year. The government will require this seven and a half million pounds to be moved by the first of the year.

Mr. Ferguson advises the turkey raisers to market their turkeys gradualy.

E. V. Ferguson, manager of the Peter Company, local produce house, attended the State Poultrymen's Convention in Dallas Saturday.

THE YOEMEN

CALVERT HI NOSES YOEMEN OUT FIRDAY 7 TO 6.

Talk about luck, well, those Calvert guys middle name is Luck. Although out playing their opponents at nerly every stage of the game, the Yoemen were defeated by Calvert Hi 7 to 6. Fullback Young of the Yoemen kicked two field goals for the Yoemen count, while quarterback Allan of Calvert, on the kick off in the first minute of play, breezed through the whole Yoemen outfit for a touch down, and then kicked goal.

Saturday the Yoemen journey to Waco to take on the Waco Tigers at the Cotton Palace. The Yoemen declare they are going to give the Tigers a tight fight and will do their best to redeem themselves for the stinging defeat inflicted upon them by the Calvert Yellowjackets.

Starting line-up of the Calvert game:

Calvert—Ramby, fb, Hardy lh, Allen rh, A. Allen qb, Elliot c, Burnett le, Smith re, Robinson lt, Meers rt Lange lg, Grace rg.

Cameron—Young fb, Fontaine lh, Childress rh, Hefley qb, Cheeves c, Tindall le, Posey re, Reichert lt, Graham rt, Flinn lg, Baskin rg.

THE GAME.

Childress kicks off 40 yards to Allen who runs through the whole Yoemen gridsters for a touch down. Allen kicks goal.

Score—Calvert 7, Yoe Hi 0.

Meers kicks off 40 yards to Young who returns 15 yards. Hefley makes 4 yards off tackle. Young gains 2 yards around end. Fontain gains 4 yards and a first down through center. Captain Hefley makes 4 yards through center. Young loses on end run. Young punts 30 yards to Allen who fails to return. Hardy makes 2 yards through center. Allen gains 7 yards off tackle. Calvert penalized 15 yards holding. Allen gains 5 yards on end run. Hardy punts 30 yards to Childress who falls to return Young fails to gain through line. Hefley gains 1 yard through center. Young punts 30 yards to Allan who returns 10 yards. Hardy fails to gain through center. A. Allan gains 1 yard through center. Hardy punts 25 yards to Hefley who returns 10 yards. Childress makes 3 yards through center. Fontain makes 3 yards through center. Young loses on end run. 4th down about 6 yards to go. Young punts 40 yards to Allan who fails to return. Hardy punts 30 yards out of bounds. Cameron's ball. Pass Young to Hefley grouded Young punts 25 yards out of bounds. Hardy fails to gain through center. Allan gains 3 yards through center. A. Allan fails to gain. Quarter up.

Calvert's ball on their own 30 yard line. Hardy punts 20 yards to Capt. Hefley who returns 5 yards. Childress gains 3 yards off tackle. Fontain gains 15 yards off tackle. Childress gains 5 yards off tackle, ball on Calvert's 9 yard line. Cameron penalized 15 yards holding. Pass Young to Hefley grounded. Childress fails to gain. Young drop kicks goal from 24 yard line.

Score—Calvert 7, Yoemen 0.

Childress kicks off 40 yards to Allan who returns 25 yards. Hardy gains 2 yards through center. Allan gains 4 yards off tackle. Allan loses on end run. Hardy punts 30 yards out of bounds. Young punts 30 yards out of bounds. Hardy gains 3 yards on end run. Hardy fumbles but recovers and loses about 2 yards. Allan gains 2 yards end run. Ramby fails to gain. Hardy punts 25 yards to Hefley who returns 15 yads. Childress gains 1 yard off tackle. Fontaine gains 5 yards through center. Childress gains 4 yards and first down through center. Childress gains 5 yards through center. Baggett fails to gain. Childress gains 5 yards through center and a first down. Cameron's ball on Calvert's 30 yard line. Childress gains 7 yards off tackle. Childress gains 2 yards through center. Young again drop kicks goal.

Score—Calvert 7, Cameron 6.

Childress kicks off 20 yards to Burnett who fails to return. Pass Allan to A. Allan nets 20 yards.

Half up.

Childress kicks off 35 yards to Hardy who fails to return. Allan makes 5 yards on end run. Hardy makes 2 yards off tackle. Allan fumbles, but regains. Pass Allan to Hardy nets 5 yards. Pass Allan to Hardy grounded. Hardy punts 25 yards. Hefley fumbles but regains. Young punts 35 yards to Allan who returns 7 yards. Allan gains 1 yard through center. Pass Allan to Hardy nets 1 yard. Allan fails to gain. Hardy punts 30 yards out of bounds. Young punts 30 yards to Allan who fumbles, and Cameron recovers. Captain Hefley makes 3 yards thru center. Childress makes 1 yard thru center. Hefley out of bounds, gains 1 yard. Young punts 25 yards out of bounds. Allan gains 3 yards thru center. Ramby gains 5 yards. Ramby gains 2 yards off tackle. First down. Hardy gains 10 yards on end run. Ramby gains 10 yards thru line. Allen gains 4 yards thru center. Calvert penalized 5 yards of sides. Allan fails to gain. Allen again fails to gain. Hardy fails to drop kick. Childress receives and returns 5 yards. Young punts 30 yards. Allan returns 20 yards.

Quarter up.

Calvert's ball on Yoemen's 25 yard line. Ramby fails to gain off tackle. Pass Allan to Hardy fumbled Cameron recovers. Childress punts 50 yards. Allen returns 25 yards. Ramby gains 3 yards off tackle. Allan gains 15 yards on end run. Cameron penalized 15 yards. Ramby loses off tackle play. Allan fumbles but regains ball. Hardy gains 6 yards end run. Hardy fails to gain. Camerons's ball, first down. Childress punts 30 yards out of bounds. Hardy loses on end run. Allan gains 2 yards on end run. Hardy punts 20 yards to Baggett who returns 10 yards. Childress punts 40 yards to Allan who returns 10 yards. Allan gains 9 yards thru center. Allan fails to gain. Allan fails to gain. Fourth down 1 yard to go. Allan makes first down. Pass Allan to Allan grounded. Allan gains 3 yards off tackle. Allan fails to gain. Cameron blocks punt and Harlin recovers for Cameron. Pass Childress to Baggett grounded. Game over.

Score—Calvert 7, Cameron 6.

The Yoemen presented the game Friday to Calvert on a silver dish. The Yoemen completely outplayed their opponents, but liked the necessary punch to win. Fred young the Yoemen's hefty fullback contributed the Yomen score, for with his good right foot, he booted two field goals. Coach Perkins is completely revising his team, and declares his team will be in an A1 condition for the Saturday game with Waco.

The Yoemen were also greatly handicapped Friday by the absence of Haidin star half back, who is on the injured list.

Rodney Fontaine proved to be the best ground gainer for the Yoemen Friday. Fontain is fast and is an exceptionally fine line plunger. He is sure to star in the Saturday game with Waco Hi.

Fred Childress certainly got off some pretty punts Friday. One of them was for 50 yards and of the high spiraling kind.

I see where the famous Rockdale Tigers won a forfeited game from Brenham 1 to 0. Pretty soft Mr. Hughes for your men didn't have to get dirty and injured. We want you to keep your men in the pink of condition for the Nov. 12 game, and then their own coach wont know them when the Yoemen get through with them.

Realizing that they have only an outside chance to win against Waco Hi Saturday, the Yoemen are being carefully drilled by Coach Perkins the Texas High School foot ball classics of the month. The Yoemen will be accompanied to Waco by a large delegation of local fans and nearly all the student body. Taking the Yoemen machine as a whole, it is a fast and well coached foot ball team. They will have that old Yoe Hi spirit Saturday and are determined to win fame and play for Yoe Hi.

Waco's foal has not been crossed this season and it is the Yoemen's ambition to cross their goal. The Waco Tigers are going to get the surprise of their lives, when they back up against the Yoemen Saturday.

Over confidence and lack of spirit is what lost last Friday's game, but the Yoemen have turned over a new leaf and battle cry is "Defeat Waco Hi."

The Yoemen may be down but they are sure not out.

Friday the Scrubs journeyed to Bremond to take on Bremond Hi. "Puny" Wilson declares his end will never be corcled this time, for he is going to "strut his stuff."

Caldwell defeated Hearne 20 to 6 Friday. Before this Hearne had held Bryan Hi to a 0 to 0 game.

That old dope bucket is liable to get up-set most any minute, and the chances are it might get up-set when Waco Hi playes the Yoemen.

The Yoemen still have a chance for the District title, for if Calvert is defeated and Yoe Hi has a better average she will win, although Rockdale is still undefeated in the district race, she will be counted out by Nov. 12.

Probable line up for Saturday's game at Cotton Palace, Waco Hi vs. Yoe Hi.

Waco—Groves fb, Naylor rh, Kelly lh, Washam qb, P. Naylor c, Slade le, Hunt re, Brandon lt, Hearrall rt, Taylor lg, McCollough rg.

Cameron—Young fb, Childress rh, Fontaine lh, Hefley qb, Cheeves c, Garner le, Posey re, Boykin lt, Reichert rt, Flinn lg, Baskin rg.

The Yoemen would like to reserve an obituary column in the Rockdale Reporter, for the Rockdale Tigers.

The South bound Sapp leaves right after game Mr. Hughes.

Instead of buying blankets for their heroes, the Calvert fans ought to erect a statue on the school campus to Lady Luck.

Lets forget the Calvert game and pour it on Rockdale and Waco.

High School foot ball results:

Caldwell 20, Hearne 6.
Rockdale 1, Brenham 0.
Yoemen 6, Calvert 7.
Waco 3, Southwestern Scrubs 0.
Belton 6, Madlin 0.
Temple 6, McGregor 0.

Big games for this week are:

Texas vs. Vanderbuilt at Dallas Fair.

Baylor University vs Arkansas.

Southwestern vs. Howard Payne at Temple.

Waco Hi vs. Cameron Hi, Waco.

If you want to see a real foot ball game, just journey up to Waco Saturday.

We haven't heard from Editor Cooke in a long time, something must be wrong.

Don't forget the date, Saturday October 20 at Waco, Texas. The feature game of the high school football season.

The outstanding star of Friday's contest was "Bones" Cheeves the Yoemen's lanky center. Cheeves was in every play and always stopped the man who tried to come over center. Fontaine was also a star several times, he broke through for long gains and was very hard to stop.

NOTICE TO CONTRACTORS.

Sealed proposals addressed to J. B. White, mayor, will be received at the office of the city secretary and treasurer, R. D. Brown, for the City of Cameron, Texas, until 10 a. m. Tuesday November 6, 1923, for street paving in the City of Cameron, Texas, and then opened and read.

Description of work to be done: Paving with Uvalde Rock Asphalt, to be laid two inches in thickness on eight inches of gravel base, on thrity-three blocks, making approximately 49,500 square yards of paving and performing such part of the work as provided in the specifications.

Detail plans and specifications may be obtained from A. F. Mitchell, engineer at Cameron, Texas.

A certified or cashiers check for 5 per cent of the amount of bid must accompany each proposal as a guarantee that the bidder, if successful, will enter into a contract and make bond as provided by law. The city of Cameron reserves the right to reject any and all proposals and to waive all technicalities.

25 2t R. D. BROWN,
Secretary, City of Cameron.

NOTICE.

This is to give notice to the public that cotton receipts No. 60050 issued in the name of W. A. Belt on the 27th day of September, 1923, by the Cameron Compress Company, for one bale of cotton delivered by him to that Company, has been lost, and that the undersigned is the legal owner and holder of said cotton, and the public is worned not to accept said receipt or to deal with same in the hands of any other person.

W. A. BELT.

TRADE REGISTERED MARK
LITTELL'S LIQUID SULPHUR COMPOUND

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Littell's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

ern Baptist Convention
Secretary Home Mission Board South-

Suggesting the growth which the Baptist 75 Million Campaign has brought to the general work of Southern Baptists, it is reported by the general headquarters of the movement that during the four years that have intervened since the Campaign was inaugurated in 1919, the denomination has gained 57 district associations, 881 active ministers, 3,068 local churches, 3,287 Sunday schools with 459,223 pupils, 8,688 Young People's Unions with 233,917 members, and 7,094 Woman's Missionary Union organizations, and baptized 762,880 persons. At the same time the churches have given $28,776,937 more to missions, Christian education and benevolences than they did during the corresponding period prior to the Campaign, and have increased their investment in local church property by $45,405,118

The larger resources made possible for missions and benevolences through the channels of the Campaign have been responsible for great advances in every form of denominational work, both at home and abroad.

Complete Church Building Fund

Among the outstanding achievements of the Home Mission Board, operating throughout the territory of the Southern Baptist Convention, are noted the completion of its million dollar church building loan fund, the baptism of 173,602 persons, reception into the churches of 277,968 persons, enlistment of 11,772 young people in the dedication of their lives to some definite form of Christian service, building or improvement of 1,873 church houses and organization of 935 Baptist churches and 2,898 new Sunday schools.

Practically twice the state mission results have been accomplished in many of the states since the Campaign began as were had for any corresponding period of time prior to that movement.

Southern Baptists own 118 Baptist schools, colleges and seminaries where nearly 40,000 young people are studying to fit themselves for larger usefulness. The number of students has been greatly increased through the Campaign making possible the larger equipment of the schools, and the investment which that movement has made possible in the schools is equal to about 45 per cent of their total value at the time the Campaign was inaugurated.

4,000 Orphans Cared For

Nearly 4,000 orphan boys and girls are cared for in the 19 Baptist orphanages of the South. Two new orphanages have been provided by the Campaign and practically all of the older ones have been given better equipment by this movement. The equipment is not large enough yet, as 2,000 boys and girls had to be turned away last year because the institutions had no more room.

When the Campaign was launched Southern Baptists had only 12 hospitals. Today that number has been increased to 21. Last year over 47,000 patients were treated in these hospitals, a large number of these being charity patients who could not have had an opportunity to get well except through some such assistance.

The Relief and Annuity Board, serving aged ministers, is now aiding more than 925 beneficiaries and has expended in direct relief since the Campaign began the sum of $414,892.46.

It will require $31,000,000 additional cash to complete the Campaign by the end of the period in 1924, and every effort is being made to enlist all Southern Baptists in having a share in this task.

PAUL WEBB SECRETARY OF COMMERCIAL CLUB

CAMERON ATTORNEY NAMED TO DIRECT AFFAIRS OF CLUB FOR COMING TERM.

Paul Webb has been elected secretary of the Cameron Commercial Club for the coming term. Mr. Webb in a statement to the club members and the citizens in general outlines the co-operation he will expect during the term. Mrs. Webb says:

The writer has been elected secretary of the Commercial Club, and this fact alone is responsible for these few lines addressed, first, to the members of the Club, and then to all the people of Cameron

It is a cinch that the Commercial Club is not going to be the energising force of the life of this community unless the officers, directors, committee chairmen, committee members and members give to the Club that whole-hearted and spirited support which it has a right to expect and to which it is entitled. I have attended the meetings of the Club somewhat regularly for the past year and have not failed to observe that just a few members, and generally the same ones, attend. It is also noticeable that only a few committeemen do any real, active work. We are hoping that this condition is a thing of the past, that the future is bright with promise of more resolute determination on the part of those who have been heretofore neglected of their responsibilities as members of the Club and necessarily interested citizns of the community to shoulder their share of the burdens and pull together for the town. Let us have henceforth a more harmonious, energetic, active co-ordination of effort on the part of everybody for Cameron.

Now, Mr. Citizen, do you look upon Cameron as a tangible part of your earthly possescions? Do you feel that you "belong" to Cameron?

With each and every one of us coming to a greater realization that Cameron is ours and we are Cameron's a greater spirit of civic conscience is going to be developed. This will result in a higher type of service that each one of us will render to our town. This will result in Cameron being placed on a higher plane than it has ever before occupied. This will result in each and everyone of us going out with a stronger feeling that Cameron is "mine" and I am Cameron's.

Can we not picture Cameron in reality as we picture Cameron in our own minds? Can we not see this city of ours march forward with prosperous strides in business, and in civic life, in home life? If we can but see this, we will see a business Cameron that will be far greater than Cameron ever has been. We will see a civic Cameron on a much higher plane than Cameron ever has before attained. We will see the apex of a town's life in contented, happy and prosperous homes.

The "modus operandi" for the attainment of this great realization, the vehicle of the entire proposition, the force of this entire movement will carry Cameron forward to the place in our national life which we would have it occupy, is—you.

Just how much of—you—are you willing to put into this job, If—you—are willing to take off your coat, roll up your sleeves and get busy, the job can be done. You will have many working along with you shoulder to shoulder, for the enthusiasm which you develop will be conveyed to others, and through this great co-opeation, Cameron will step forward, a bigger, busier, more beautiful town.

PAUL WEBB.

REDFIELD WOOD MILL BUILDING NEW BUILDING.

A new building to house the machinery and works of the Redfield wood mill in Cameron is under construction. This builning is being erected near the site of the old building but north toward the Santa Fe tracks.

Material for this building is being furnished largely from the saw mill of F. E. Jackson, milling, Milam county timber. The Redfield mill manufactures truck an wagon bodies, cedar chests and other wood commodities and has developed a considerable industry using timber from the forests of the county.

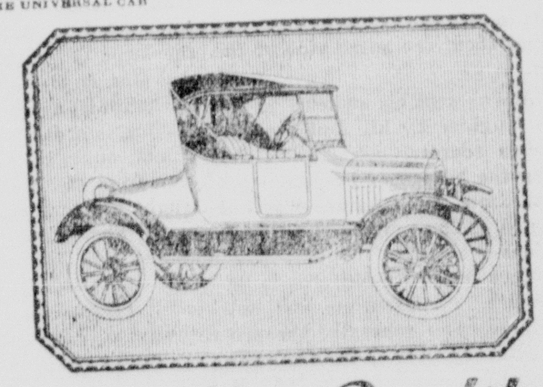
Ford
THE UNIVERSAL CAR



New Roadster

Business men—with whom the runabout has always been very popular—are well pleased with the changes embodied in this model.

Always rugged, the car has been made decidedly trimmer and more comfortable.

This result is obtained by raising the radiator and enlarging the cowl, making a decided improvement in looks and providing more leg room.

A well designed top and slanting windshield do their share toward adding a finished, clean-cut appearance.

Make it a point to see the other new models also on display in our show room.

These cars can be obtained through the Ford Weekly Purchase Plan.

WASHINGTON THE MASON.

A nation lives or dies as its patriotism waxes or wane. Any movement, then, which increases love of country, veneration for its principles, admiration of its great men, respect for its laws, and honor for its flag, is a patriotic movement.

On November the 1st the cornerstone of the magnificent memorial to Washington, the Mason, will be laid at Alexandia, Va. While the erection of a great temple, commemorative of George Washington, the Mason, is essentially a Masonic movement, this project must nevertheless be considered as of the highest importance from the standpoint of the increase of patriotism. Washington has been honored by his country in a great stone shaft and the naming of its capital for him. His remains lie near his home, which is kept in perfect order for the veneration of visitors by a society of women. As a statesman, a wise counselor of policy and national act, he is honored and quoted above all who have helped guide this country on its course.

But there is room for more monuments to impress upon our youth, our visitors, our immigrants, ourselves, the debt we owe to the great man whose vision was so clear, whose common sense was so great, whose love of the struggling young nation was so strong that it has permeated our entire national life.

Washington loved Masonry. He was Master of his Lodge. He was no mere lodge member; he worked at the Craft. He believed in it, labored for it, quoted it, lived its principles. What Washington found good, no lesser man can afford to ignore It is, therefore, most fitting that when the Masons of this country unite to honor him, the country as a whole evaluate their great building for what it is; not only a tribute to the man and Mason, but a great stimulus for patriotism, the creation of a new National Shrine, where generations yet unborn may stand and absorb some of the inspiration which was Washington's, and by which this country has grown from small beginnings to be the greatest nation in the world.

CHURCH THAT GRIPS MEN MUST BE MODERN BODY

DR. BOB ADAMS OF HOUSTON TELLS BROTHERHOOD WHAT CHURCH SHOULD DO.

The church that gets hold on the hearts of men and grips their lives is the church that is modern in its application of religion and keeps abreast of the times.

So said Dr. Bob Adams, head of the hospital division of the Texas Conference for the Methodist church in a speech to the men of the Methodist church Wednesday night at the October meeting of the Brotherhood

Dr. Adams, humorist and philosopher, crowded more verbal dynamite in his forty-five minute address than has been heard at the bar of this brotherhood. His talk was like a chapter from Twain coated with the sattire of Hume and Voltaire, a wholesome, humorous digest of great truths seared into the hearts of his folks as brands from the altar of burning logic.

The world is getting better all the time, he said because religion is searching out the place where folks live and is meeting the demands of modern times. Meetings such as the brotherhood gatherings he said are going to mean more for the church in its zeal to grip the hearts of men than anything about the social side of the church.

Dr. Adams kept his audience in uproarus laughter by his faultless, entertaining address, but closed by pressing the burden of hospital work upon the men as a great, practical expression of the religion the church champions.

President Oxsheer Smith was in the chair and with appropriate and well chosen proceedure presented the program, after he had spoke the invocation.

Miss Francis Duke Hightower, member of the faculty of the High school sang and was followed by little Miss Mildred Clinton with the violin who played several selections. Little Geraldine Slaughter gave two readings one with the piano.

Rev. Key introduced the sons and daughters of ministers, among them being Superintendent Fisher of the school and J. B. Preston, the principal of the High school, and Chas. Pollard who is the son of a Baptist minister.

J. L. Clinton, renowned as a "one string fiddler" was called to the piano where with Mrs. Clinton they played and old fashioned tune that sounded so much like Arkansas Traveler that the ear music division of the audience called for more.

Mrs. Clinton sang sweetly two solos and was followed by Mrs. Tucker Skaggs, former resident of Cameron with a number of readings and songs.

L. Van Perkins read the minutes of the previous meeting full of fun and witting sayings.

About one hundred men sat at the tables for the banquet which is the second meeting of the Brotherhood for the fall and winter months.

The banquet was served by the members of the Missionary Society of the church.

Besides the members of the brotherhood a large number of visiting laymen from other churches were there as guests of the brotherhood. The meeting was one of the most enthusiastic ever held by the brotherhood and the programs for the fall and winter months are being looked forward to with interest by the men of the town.

WEATHER REPORT.

Thursday Oct. 18, 11:00 a. m.

East Texas (Cameron)—Tonight fair and colder, probably frost in northwest portion.

Friday fair with rising temperature in northwest portion.

Fair weather is promised for this week.

Lowest temerature was at 26 at Amarillo, Abilene 32, Spur 50.

The highest was 76 at Cameron, Lampasas 82 and Corpus Christi 84.

Light rains occured in the southeast portion. Houston and Galveston had .66 of rain.

CAMP-JACKSON WEDDING.

The Camp-Jackson wedding, an event pleasantly anticipated by many friends over the state, will be solemnized at 6:30 this evening at the home of the bride's parents, Mr. and Mrs. H. H. Camp, at San Gabriel.

The bride, a young woman of many charms, is a daughter of a prominent Milam county family. She holds a degree from the State University and taught in our grammar school last year. She is to be married to Mr. Rodney Ray Jackson of Fort. Worth, who was graduated from the Engineering Department of the State University in June. The young couple will make their home in Beaumont. Several from Cameron will attend the wedding and Mrs. A. J. Triggs will give a voice number in the wedding music.

TAX RATE FOR CITY IS FIXED BY ORDINANCE.

The tax rate for the city of Cameron for municipal purposes will be 75c on the $100 valuation the same as the school and the total will be $1.50. The council by ordinance fixed the tax rate Tuesday night.

The increase in the city tax was voted by the people and ten cents has been levied for parks and band.

MONEY ORDERS GOING FAST AT POSTOFFICE.

Money orders to the number of more than a hundred a day are being issued at the local postoffice. Never before in the history of the postoffice has such mail order business been conducted.

We have nothing against the government but the practice of mail order business does not build a town and folks should see their local merchants first.

Court House news

THE DISTRICT COURT.

Allan Scroggins charged by indictment with the murder of Andrew Willis, negro, at Daville on August 18 of this year, was tried by a jury in district court here this week and on Wednesday a verdict was rendered giving defendant five years suspended sentence and finding him guilty of man slaughter. Scroggins was represented by Chambers, Wallace and Gillis and the prosecution was conducted by District Attorney, Jack Lewis.

GRAND JURY NOVEMBER 12.

The November term of the District Court will convene on November 12 at which time a grand jury will be empanneled to investigate lawlessness in the county.

CASES ARE SET.

A number of cases are set for the remainder of October for trial in the district court as follows:

State of Texas vs. Pedro Castillo, charged with possessing liquor for the manufacture of liquor, October 19.

State of Texas vs. Ed. Beard charged with the murder of Robert Caffey at Thorndale, set for Monday October 22. Beard will be defended by Chambers, Wallace & Gillis and the case has attracted wide attention all over the county. At the examiining trial Beard was released on $10,000 bond. A venire of 100 men has been summoned to try this case.

State of Texas vs. A. Oliphant, charged with murder in connection with the killing of O. Segrest on the latter's farm near Briary several weeks ago. A venire of 75 men has been summoned to try this case. Henderson, Kidd & Henderson will represent the defendant.

State of Texas vs. Jim Davis, negro, charged with transporting liquor set for October 18.

State of Texas vs. Wesley Stevens and Jim Brashear set for October 29. Stevens is charged with assault to murder and manufacturing intoxicating liquor. Brashear is charged with manufacture of liquor. The assault to murder case against Stevens grew out of the shooting of Deputy Sheriff W. H. Little during a raid on the Stevens farm by Sheriff Rogers and deputies.

State of Texas vs. Caesar Perry, manufacturing liquor has been set for October 31.

CAMERON SOCIETY

ROSE PARTY.

Tuesday afternoon from 4 to 6, the Auction Forty-two Club had their first social meeting of the year with Mrs. Charles McDermott as hostess. The living room, music room and dining room were most beautifully decorated with pink roses. Vases, hanging baskets and wall pockets were filled with these roses intermingling with queens wreath and ferns. The table covers were block embroidered with pink rose motifs. The tally pads, score cards and table markers were in the rose design

After the games, luncheon cloths and napkins in pink rose design were arranged on the tables and a lovely two course luncheon served.

Mrs. Alex Triggs sang "A Little Pink Rose" in her most lovely way.

Each guest was given a pink rose bud and Mrs. Claud Triggs was presented with a most gorgeous bouquet for winning the most games.

All through the afternoon, little Frances, a daughter of the home, very charmingly assisted her mother. Other assisting were: Mesdamse Giles Avriett and William Rogers and Miss Myrtle Avriett.

The guests for the afternoon were: Mesdames Giles Avriett, Dan Tyson, Billie Read, Lena Baskin, Hilry Stedman, R. D. Brown, A. N. Green, J. B. White, J. C. Martin, J. C. Tucker, William Cobb and William Rogers, Misses Mary Lake and Winnie Henderson, Sallie Kate McLane and Myrtle Avriett and Mrs. R. N. Grayson of Huntsville, Alabama.

LOVE SHOWER FOR MRS. KEY.

Circle No. 2, of the Methodist Missionary Society met at the home of Mrs. Hugo Slaughter on West Main Monday afternoon at 4 o'clock. The home was gay with Hallow'een symbols, yellow cosmos and marigold.

A devotional service was conducted by Mrs. Ira F. Key and followed by an interesting study of sacred hymns.

A short business session was interrupted by the arrival of an old witch with her broom who announced that as she was sweeping the cobwebs from the sky she had swept a few into a basket, and brought it to the Circle meeting. Two little assistants, Geraldine and Billie Slaughter, brought the basket into the room and placed it at the feet of Mrs. Ira F. Key. Mrs. Jeff T. Kemp them offered the following toast:

"Round like a circle, a ring that has
no end,
So is our love for you, our friend."

When I used to ask my little boy how much he loved his mother, he would ofter respond, as he had been taught: "A bushel and a peck and little in a basket," and this childish expression of love, I think, fits our love shower for you today, and we ask that you accept these tokens of our love, a bushel of love, a peck of love and a little bit of gift from each of us in this basket. We do not bring gold, frankincense and myrrh but these gifts are offered in the same spirit that prompted the three wise men to offer these things, love. Please remember to use them for yourself for each is from a member of your Circle, No. 2, who is grateful for your loyalty and leadership in circle activities.

If, since our organization, our circle has been able to overcome obstacles that open to but golden Keys, you have shown us how to unlock that door. You have always had ready the Key to the situation. We may say, that you have struck the Keynote so readily that:

We give to you the key to our hearts,
For we believe you able to act many
parts,
At home or in church or in circle
meeting:
In kitchen or parlor you are equally
fitting.
As friend or wife or cheerful mother,
Then, Agnes Key, there'll never be
another
More certain of getting in to Heaven's wicket
When she appears at the door and
offers her ticket.
When St. Peter looks, he'll say with
a grin,
"You're a bright Key, Agnes, come,
you fit in."
"Your credentials are fine," he'll say
with a chuckle"
"I see you rank A1 in Methodist
Circles."
Then Agnes will respond in earthly
jargon,
"Saint Peter, I'd like to try you big
pipe organ."
"And if you will tell me where to
park my car,"
I'll tell the children not to jolt nor
jar
While the angels listen to some
splendid music
Saint Peter will smile with a quiff
and quirkle,
And say "you must have been loved
in the Luckett Circle."

The recipient of this lovely courtesy was taken completely by surprise and for a time words failed her, but gaining her voice she thanked her friends in a very genuine fashion and then proceeded to look into the basket.

RECEPTION FOR MRS GRAYSON.

Mrs. A. N. Green was hostess at a recepiton of perfect appointment last Saturday afternoon from 4 to 6, naming her house guest, Mrs. R. N. Grayson of Huntsville, Alabama, as honoree and including in the receiving line near relatives from Cameron, Rosebud and Lott.

A color scheme of black and gold was developed in striking way by the use of Hallow'een symbols, pumpkins and orange cosmos.

Mrs. Leland Green gave a cordial welcome to the guests at the door and little Erentine Green of Rosebud held the card tray. Receiving with Mrs. Green and the honor guest, were Mesdames A. C. Shaundies, Ernest Green and Fred Cable of Rosebud, Mrs. A. W. Esslinger of Cameron and Miss Billie Lawless of Lott.

Mrs. C. N Green conducted the guests to the dining room where ice cream in pumpkin mould was served with white cake topped with yellow ice by Misses Beth Jeter, Mary Lake Henderson, Sallie Kate McLane, Irene Cheeves, Glayds Watson and Clara Thomas

Other ladies assisting Mrs. Green in entertaining were: Mesdames Geo. A. Thomas, Henry Hefley and Leslie Green.

Mesdames J. L. Clinton and Alex Triggs and Miss Nell DuBois contributed to the afternoon's pleasure with voice numbers. Mrs. Ira F. Key and Miss Helen Flinn gave piano selections. More than a hundred guests called during the hours.

MY SHIPS.

"I stood and watched my ships go on
Each, one by one, unmooring free
What time the quiet harbor filed
With flood tide from the sea.
The first that sailed, her name was
Joy.
She spread a smooth white ample
sail,
And eastward drove with bending
spars
Before the singing gale.

Another sailed, her name was Hope,
No cargo in her hold she bore,
Thinking to find in western lands
Of merchandise a store.

The next that sailed, her name was
Love,
She showed a red flag at the mast—
A flag as red as blood she showed,
And she sped south right fast.

The last that sailed, her name was
Faith,
Slowely she took her passage forth;
Tacked and lay to; at last she steered
A straight course for the north.

My gallant ships they sailed away
Over the shimmering summer sea.
I stood at watch for many a day,
But one come back to me.
For Joy was caught by Pirate Pain;
Hope ran upon a hidden reef,
And Love took fire and fonudered fast
In whelming seas of grief.

Faith came at last, storm-beat and
torn,
She recompensed me all my loss.
For as a cargo safe she brought
A crown linked to a cross."

—Author Unknown.

CLASS PARTY.

Mesdames N. O. Kennedy and Lee Shires were joint hostesses to Mrs. Kennedy's Sunday School Class in the home of Mrs. Shires on North Central Avenue last Thursday evening. Twelve members of the class were present and a pleasant evening was spent in games and clevr contsts. Mrs. Jsssie Winne assisted the hostess in entertaining and in serving the refreshment course of cream and cake.

Ouch! My Back! Rub Lumbago Pain Away

Rub Backache away with small trial bottle of old "St. Jacobs Oil."

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right on your aching back, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the pain right out and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica, backache or rheumatism so promptly. It never disappoints!

H. R. McFADYEN ,Pastor.

Clean Kidneys By Drinking Lots of Water

Take Salts to Flush Kidneys if Bladder Bothers or Back Hurts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, begin drinking lots of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders.

Jad Salts can not injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clean, thus often avoiding serious kidney disorders. By all means have your physician examine your kidneys at least twice a year.

8,500,000 FORD MOTORS MANUFACTURED TO DATE

NEW MARK REACHED IN PRODUCTION SPURT OF FORD MOTOR COMPANY.

Detroit, Mich., Oct. 17.—Ford Motor Company's plant in Highland Park on October 4, it is announced. The last half million motors were produced in seven days less than three months,, for Motor No. 8,000,000 went out July 11, this year.

One factory of the Ford Motor Co., located at Northville, Mich., near Detroit, is devcted exclusively to the manufacture of valves for Ford Model T moter and for Fordson Tractor motors. The plant employs 350 men working in three eight-hour shifts and turns out 85,000 Ford motor valves and 10,000 Fordson values daily. Since it was opened in March, 1920, the Northville plant has produced more than 44,000,000 valves.

Demand for ammonium sulphate for fertilizer is growing rapidly. During five months nearly 7,000 tons of it were shipped from the River Rouge plant of the Ford Motor Co., to all parts of the United Staes. It is a by-product of coke, carries from 20 to 21 per cent available nitrogen and is known as one of the world's best commercial carriers of that element.

Detroit, Mich., Oct. 17.—How rapidly the trend of sentiment is swinging toward the use of lighter motor car equipment, in order to more satisfactorily meet present day traffic conditions, is emphasized in the tremendous increase in sales of the Ford Motor Company for the first three-fuarters of the present year.

An analysis of these sales shows that the sentiment is not alone among passenger car buyers but extends to commercial car purchasers who are finding that the smaller motor haulage unit effects more efficient, speedy and economical delivery service.

Sales of Ford cars and Trucks in the United States for the first nine months of the year totaled 1,354.020, it is just announced. This is an increase of 466,433 over the same months of 1922.

In September alone, 141,467 Ford cars and trucks were delievered at retail, a gain of 35,029 over September last year, while truck sales for the month were 15,947 or 4,589 more than in the same month a year ago.

MRS. J. S. DENSON.

Mrs. Tulula Pearson Denson, wife of S. J. Denson, died at her home in this city early Sunday morning after an illness which had extended over a period of several weeks. A part of the time she had spent with her daughter, Mrs. Watt Skinner in Rogers.

The funeral service was held Sunday afternoon at the Baptist church and was conducted by Rev. Mr. Joiner, pastor of the Rogers Baptist church, assisted by Rev. Ira F. Key, pastor of the Cameron Methodist church. In spite of very unfavorable weather, many friends gathered to pay the last sad tribute and the floral offerings were handsome and profuse.

The active pall bearers were J. C. Tucker, Preston Laird, Lloyd Mitchell, George McGehee, Robert B. McLane and Leland Green.

Interment was made in Oak Hill Cemetery.

Mrs. Denson, daughter of a Baptist minister, was born in the state of Mississippi. She was married at Ludlow, Mississippi, Nov. 20, 1877 to S. J. Denson, who with two children, Joe C. Denson of this city and Mrs. Watt Skinner, Rogers, survive. Four children have preceeded their mother to the better land.

Mrs. Denson has lived in Cameron since 1911 and has many friends here to mourn her loss. She lived and died in the Christian faith.

The following out of town relatives and friends were here for the funeral: Mr. and Mrs. Watt Skinner, Rogers; Dr. and Mrs. W. A. Denson of Ben Arnold, Mrs. J. E. Sisson and Miss Mellie Denson of Waco, M. E. Fisher of Houston, Miss Mabel Turner of Rockdale, Messrs. and Mesdames W. Levy, Robert McElroy and T. O. Hamilton of Rogers, Misses Ola Skinner, Cleo Hunter and Charlie Will Dabney, and Mrs. Joiner also of Rogers.

Cameron Herald $1.50 a year.

NEW AWNING FOR STORE OF B. J. BASKIN & SONS.

With the completion of the new awning on the store of B. J. Baskin & Sons the store appearance has been greatly improved. The improvement was needed and its completion suggests that the town appearance can be greatly improved by the replacement of other awnings on other buildings in the city.

During recent years few new buildings have been erected in Cameron but with the completion of the First National and Cameron State Bank buildings the down town district has been greatly enhanced in appearance.

WIFE WANTED — Wanted to marry a woman between the ages of 45 and 65 years. I am a good hard working man. Address J. B. B. Box 804, Cameron Texas.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

DISPOSAL PLANT PLANS HAVE BEEN APPROVED.

Mayor J. B. White has been advised by the State Board of Health that the plans submitted by the engineer A. F. Mitchell for the sewage disposal plant for Cameron have been tentatively approved by the department and as soon as a few minor changes can be arranged by Mr. Mitchell final approval will be given.

Mr. Mitchell is now in California for the American Legion convention and will return early next week. The council hopes to be in a position to advertise for bids on this plant by the first meeting in November which is Tuesday the sixth.

The plant will be erected near the river and will be a closed type or septic system and one of the best plants known to health authorities.

KEY RATE REDUCTION FOR CITY OF CAMERON.

Based on the improvement of the water mains in the City of Cameron on plans furnished by the department of fire insurance at Austin the City has been advised that the city will soon be taken from the second and placed in the first class key rate class.

The eight inch main construction has been completed by the Cameron Water, Power & Light Company and the six inch main construction will be completed by February of next year.

A large number of fire hydrants are being installed and greater fire protection is being afforded. Under the terms of the new comtract negotiated with the water company no mains will be laid in the city in the future of less capacity than six inch for the residence sections and eights for the mercantile districts.

BAPTIST CHURCH HERE CALLS PARIS PASTOR.

Rev. E. S. Hutcherson of Paris, pastor of the second Baptist church there has been called by the Baptist church in Cameron and it is understood has accepted the call.

Rev. Hutcherson was here Sunday and preached at the morning and evening hours. He came here at the request of Dr. L. R. Scarbrough, former pastor of the Cameron church.

It is thought that Rev. Hutcherson wil move to Cameron in a short time to take up his work as pastor of the church.

A. J. MATULA VISITING CAMERON FROM HOME IN STATE OF ARKANSAS.

A. J. Matula, auditor for the Arkmo Lumber Company of Arkansas, and brother of A. E. Matula with the Milam County Lumber Company, was in Cameron this week on a visit to his old home. He has ordered the Herald to continue to his address, in Little Rock Arkansas. Mr. Matula has been engaged in the lumber business for several years and declares Arkansas is a progressive state and with great business possibilities.

AN ORDINANCE.

AN ORDINANCE requiring the yearly vaccination against rabies of all dogs owned or kept within the limits of the City of Cameron, Texas, by the owner, keeper, or caretaker of said dog; providing for the registration of the time of vaccination of each dog by the Sanitary Officer of the City of Cameron, and the furnishing of a tag for each dog indicating such vaccination and date thereof; providing for fees for such vaccination and registration and tag; providing for a penalty for the violation of the provisions of this ordinance; and declaring an emergency.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS:

Section 1. That it shall hereafter be unlawful for the owner, keeper or caretaker of any dog to own, keep, or maintain any dog within the limits of the City of Cameron, Texas, for a longer period of time than 15 days, without having first having said dog vaccinated against rabies: that any owner, keeper, or caretaker of any such dog shall fail or refuse to have such dog so vaccinated, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than one hundred dollars.

Sec. 1. That it shall be the duty of the Sanitary Officer of the City of Cameron, to vaccinate against rabies all dogs at the request of the owner, keeper, or caretaker thereof, upon the payment by said owner, keeper, or caretaker of a fee of $2.50, and to deliver to said owner, keeper, or cartaker a suitable tag showing the name of the owner, keeper or caretaker, name of the dog and the date of the vaccination, said tag to be suspended from the neck of said dog. It shall further be the duty of said Sanitary Officer to keep in a record book, well-bound and strong, a record of the names of the owners, keepers and caretakers of all dogs vaccinated, the names of said dogs, the dates of vaccination, and the fees charged. Provided, however, that if the owner, keeper or caretaker of any dog shall refuse to comply with the provisions of this ordinance the Sanitary Officer shall take up the dog, vaccinate same and hold for a period of 13 days and, upon failure by the owner, keeper or caretaker to pay the fee then to destroy said dog.

Sec. 3. It shall be unlawful for the owner, keeper or caretaker of any dog which has been vaccinated against rabies as required under Section 1 of this ordinance, to permit said dog off any premises on which said dog is kept or maintained in the City of Cameron, Texas, without said dog having attached and suspended from its neck said tag showing the name of the owner, keeper or caretaker, name of the dog and date of vaccination; and any person violating this section of this ordinance shall be guilty of a misdemeanor, and shall, upon conviction thereof, be punished by a fine of not more than one hundred dollars.

Sec. 4. That the terms "owner, keeper or caretaker" of a dog, as used in this ordinance, shall include not only the actual owner, keeper or caretaker of a dog, or dogs, but shall include the parent, guardian, and custodian of any minor, who is permitted by said parent, guardian or custodian, to own, keep or maintain any such dog or dogs.

Sec. 5. That vaccination of any dog under this ordinance may be lawfully done by the Sanitary Officer of the City of Cameron, who shall be a qualified veterinary surgeon, or by any other veterinary surgeon, qualified and licensed under the laws of the State of Texas to practice veterinary surgery within the State of Texas; provided that where vaccination is performed by any other than the Sanitary Officers, said veterinary so vaccinating any dog shall issue a sworn certificate to the owner, keeper or caretaker of said dog, showing owner's name, dog's name, and date of vaccination, and shall certify to the proper varination against rabies of said dog. Upon the presentation of said certificate to the Sanitary Officer, the name of the owner, keeper or caretaker, name of the dog, and the date of vaccination shall be entered in the Vaccination Record Book, and the date of said certificate and the veterinary issuing same shall also be entered.

Sec. 6. The fact that there is no adequate ordinance providing for the vaccination of dogs against rabbies creates an emergency and a public imperative necessity that the rule requiring ordinances to be read on three separate days be and the same is hereby supended, and that this ordinance take effect from and after its passage and legal publication and it is so ordained.

J. B. WHITE,
Mayor of the City of Cameron.

THE STATE OF TEXAS,
County of Milam.
I, R. D. Brown, Secretary of the City of Cameron, do hereby certify that the above and foregoing is a true and correct copy of the above styled ordinance and the proceedings relating to its adoption and approval as the same appear of record in the Minutes of Book of Ordinances of the City of Cameron.

Given under my hand and seal of office this 16th day of October, A. D. 1923.

25 4t R. D. BROWN,
Secretary of the City of Cameron.

NOTICE TO CONTRACTORS.

Sealed proposals addressed to J. B. White, mayor, will be received at the office of the city secretary and treasurer, R. D. Brown, for the City of Cameron, Texas, until 10 a. m. Tuesday November 6, 1923, for street paving in the City of Cameron, Texas, and then opened and read.

Description of work to be done: Paving with Uvalde Rock Asphalt, to be laid two inches in thickness on eight inches of gravel base, on thrity-three blocks, making approximately 49,500 square yards of paving and performing such part of the work as provided in the specifications.

Detail plans and specifications may be obtained from A. F. Mitchell, engineer at Cameron, Texas.

A certified or cashiers check for 5 per cent of the amount of bid must accompany each proposal as a guarantee that the bidder, if successful, will enter into a contract and make bond as provided by law. The city of Cameron reserves the right to reject any and all proposals and to waive all technicalities.

25 2t R. D. BROWN,
Secretary, City of Cameron.

NOTICE.

This is to give notice to the public that cotton receipts No. 60050 issued in the name of W. A. Belt on the 27th day of September, 1923, by the Cameron Compress Company, for one bale of cotton delivered by him to that Company, has been lost, and that the undersigned is the legal owner and holder of said cotton, and the public is worned not to accept said receipt or to deal with same in the hands of any other person.

USE SULPHUR TO HEAL YOUR SKIN

Broken Out Skin and Itching Eczema Helped Over Night

For unsightly skin eruptions, rash or blotches on face, neck, arms or body, you do not have to wait for relief from torture or embarrassment, declares a noted skin specialist. Apply a little Mentho-Sulphur and improvement shows next day.

Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation. The moment you apply it healing begins. Only those who have had unsightly skin troubles can know the delight this Mentho-Sulphur brings. Even fiery, itching eczema is dried right up.

Get a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

First Protestant Church Established in Texas for Methodist Congregation

By CHARLES L. MARTIN.

It was not until the establishment of the Republic that there were any Protestant churches in Texas. This was due to the fact that Mexico, of which country Texas was a province, was wholly Catholic. The impresarios when they obtained concessions for colonies bound themselves to recognize the Catholic as the dominant religion. The Mexican Government, however, permitted services in the homes of the colonists.

The Methodist church was the first to show up in Texas. In 1924 the Rev. Henry Stevenson traveled through Texas as far west as the Brazos River. On this journey he preached several sermons in private homes. However, some claim, perhaps correctly, that a Methodist preacher visited points in East Texas in 1822. If so, it was probably in that section along Red River claimed by Arkansas.

While Protestants could not build any churches, or have any pastors, still the Methodist kept the light of their religion aglow. In 1829 the first old-fashinoed Methodist camp meeting was held ten miles east of San Augustine by the Revs. James Stevenson, Enoch Falley, and Summer Bacon (who was a Cumebrland Presbyterian. Twho years later some of these same preachers held a camp meeting at the same place. An entrprising publican erected a whisky joint nearby, but the entire camp meeting notified him to leave and stand not upon the order of his going.

The first Methoidst conference was held in 1846 at Rutersville, the seat of Ruter's College, named for Dr. Ruter, superintendent of Texas missions, who had passed away that year.

The cornerstone of the first Protestant church erected in Texas was at San Augustine in 1844. The Rev. Littleton Fowler, a shining light and the leading orator of the Methodist church in his short life, officiated and Hon. Thomas J. Rusk, first Secretary of War of the Republic, a brave soldier at San Jacinto, eminent lawyer and United States Senator, delivered the oration.

Without question the Methodist were the most active of the Protestants. I remember the camp meeting grounds near Marshall, known as Scott's Camp Ground, because Col. W. F. (Buck) Scott donated the site. It was established in 1843 and every year since a camp meeting has been held there. I knew, as a boy knows grown-up men, many of the preachers who came to these meetings. The Rev. Littleton Fowler was always the leader, not more because of his renown as a preacher than because of his zeal. In front of the pulpit there was an open space with benches around for "the mourners." One night he was leading in prayer in this space, with that fervor of heart for the salvation of souls that characterized him, when a drunken man, staggering in, broke a bottle of whisky over his head. He never winced nor halted in his prayer. Old Father Craig (they called him father because of his age) was another power in the work. He had stentorian voice and as he warmed up he talked louder and louder and with streaming tears and gray hair about his face he moved things. The Rev. Mr. Hobbs, a red-headed, club-footed man, was a hard worker, too. The Revs. Sam Williams and Mr. Woodum were there too. For miles and miles in every direction the people flocked to these meetings, not all Methodists, for members of other denominations came, also. The white tents on the grounds and the flocks of people brought to mind the children of Israel on their forty years' march to Canaan. The Rev. Littleton Fowler died in 1846 in the prime of life.

While the other denominations were not much behind the Methodists, as to time of arrival, they were not so active. The Episcopal church began to grow from its incipiency. The first Episcopal church was organized at Matagorda by the Rev. Caleb S. Ives. He also established a flourishing school in 1838. The Rev. B. M. Chapman succeeded Mr. Ives in 1840 and this same year the Right Rev. Leonidas Polk, missionary bishop, visited the churches in Texas. Bishop Polk was a graduate of West Point and a warm friend of President Jefferson Davis, who appointed him a Lieutenant General in the Confederate Army. He was killed in battle while in command of the Army of Tennessee.

In 1841 the Rev. Benjamin Eaton arrived in Texas and became rector of the churches in Galveston and Houston, alternating Sundays with them until 1842, when he had the Galveston church only. He held that position for thirty years when death claimed him in 1871. His death was tragic and pathetic, dying at his post of duty, dropping dead in his pulpit at the Sunday service as he was reading to his congregation the hymn, "Nearer My God to Thee."

The first Presbyterian preacher to visit Texas was the Rev. Hugh Wilson in 1838, who organized a church at San Augustine and the next year another at Independence, Washington county. In 1840, the Rev. Daniel Baker came to Galveston as a missionary. Here he founded a seminary for young ladies. The Rev. John McCullough was pastor of the Galveston church, while the Rev. William Y. Allen filled the pulpit at Houston. On April 3, 1840, the first presbytery was organized. It was held at Independence. It was composed of only four members, but they were active zealous workers. These four men were Hugh Wilson, John McCullough, William Y. Allen, John McFarland and Daniel Baker, the latter sitting as corresponding member. Soon after four other preachers joined the presbytery and in 1851 the first synod was held in Austin.

The Rev. Joseph Bays, a Baptist preached at Peach Creek (in what is now Gonzales county) in 1826, and the next year was in San Augustine, but the Mexican authorities stopped him in his efforts. In the home of Moses Chipman, west of the Brazos River, the Rev. Thomas Hanks preached. This was in 1829. Elders George Wood and Skelton Allpine came to Texas in 1930-31 and the first Baptist church was organized in 1833.

The Catholic church of American membership began to come into notice in the Republic in 1828. The Rev. Father Timon of Missouri visited Texas that year and also in 1840. There were no parishes then. He was appointed prefect apostolic and was the first priest to say mass in Galveston, Houston and Austin. In what is now Lavaca county, there were quite a number of Catholics from Missouri, Pennsylvania and Kentucky. In 1839 the Rev. Fathers Joseph Hayden and Edward A. Clark came to Texas, visiting the Catholic settlements from San Patrico to San Jacinto. A church was built at Halletsville in 1841 with Rev. Father Clark as its pastor.

In 1840 the Rev. Father John M. lic communities, latershrdluo-P.vbgkg Odin came to Texas, visiting all Catholic communities, later being made bishop of Galveston. This was the only dioces then. There are now five dioceses.

INDIVIDUAL DEPOSITS IN 948 STATE BANKS GAIN $39,302,199.

Austin, Oct. 14.—Individual deposits in the 948 state banks operating in Texas at the close of business, Sept. 14, 1923, amounted to $255,774,568, an increase of $39,302,199 as compared with the last preceding call, June 30, 1923, according to a comparative statement issued by J. L. Chapman, Commissioner of Banking, Saturday afternoon. Between these two periods there was a decrease of eight banks.

Total resources of the 948 banks amounted to $337,359,069, which is on increase of $35,540,569. The statement also shows that loans between the dates of June 30 and Sept. 14, decreased $11,500,000 or about 8 per cent, "and it should be borne in mind that many loans had to be made between June and September," said Commissioner Chapman, "and in addition to overcoming that increase through the medium of collections, there was this big reduction in loans."

"A comparison also reveals that cash and exchange, including cotton acceptances, increased $46,500,000 or about 100 per cent in the banks as a whole, reflected by the comparative statement, showed an improvement of 28 per cent between calls."

"Taking into consideration the facts," continued Commissioner Chapman, "that only about 33 1-3 per cent of the Texas cotton was sold by Sept. 14 and estimating that the remaining 66 2-3 per cent will improve the condition of the banks generally in the same ratio, the banks will have on Jan 1, 1924, $120,000,000 more cash than they had on June 30, 1923, or an increase of about 60 per cent.

"It may also be noted that the banks had decreased their bills payable 15 per cent between the two calls, which means that they had paid off all money which had been borrowed between June 30 and Sept. 14, 1923, and in addition thereto had retired 15 per cent of which they had on June 30."

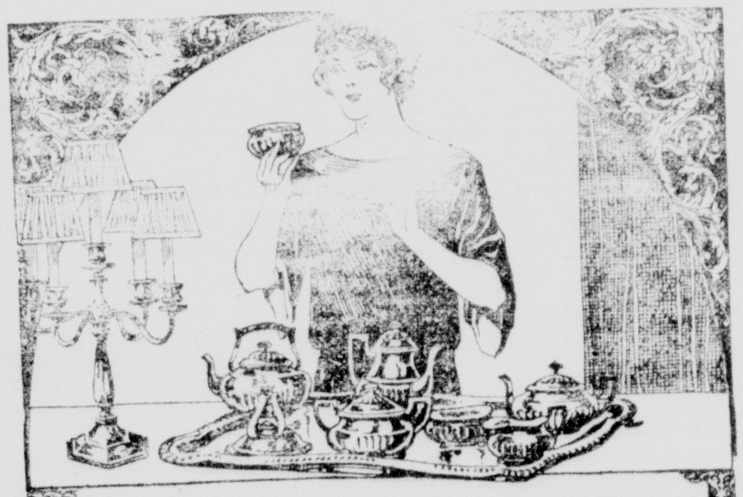
BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is mussy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.



Service Silver that Will Endure

THESE magnificent silver pieces would be a source of pride to any woman.

They are of the quality which brings admiration from all who see them.

They will retain their original lustre and brilliance for years, and will always lend an atmosphere of taste and dignity to your table.

Many of our patrons prefer them to other silverware because of our conservative prices.

As a wedding gift, they are always welcome!

STATE BANKS IN GOOD SHAPE REPORTS SHOW

LOANS REDUCED AND CASH AND EXCHANGE HAVE INCREASED.

Austin, Texas, Oct. 13.—Texas State banks showed a flattering condition at the close of business on September 14, as reflectd in the summary issued Saturday by J. L. Chapman, baking commissioner, and a most substantial improvement as compared to the preceding call, which was of June 30, last.

Discussing the statement Commissioner Chapman said: "Loans between the dates of June 30 and September 14 show a decrease of $11,500,000 or about 8 per cent, and it should be borne in mind that many loans had to be made between June and September. In addition to overcoming that increase through the medium of collections there was also a reduction of $11,500,000 in loans between the called statements.

"A comparison also reveals that cash and exchange, including cotton acceptances, increased $46,500,000 or about 100 per cent. The banks as a whole, as reflected by the statement show an improvement of 28 per cent between calls.

"Taking into consideration the fact that only 33 1-3 per cent of the Texas cotton was sold by September 14, and estimating that the remaining 66 2-3 per cent will improve the condition of the banks generally in the same ratio, the banks will have on Jan. 1, 1924, $120,000,000 more cash than they had on June 30, 1923, or an increase of about 60 per cent. It may also be noted that the banks had decreased their bills payable 15 per cent between the two calls, which means that they had paid all money which had been borrowed between June 30 and September 14 and in addition thereto had retired 15 per cent of what they owed on June 30.

"The combined deposits of the State banks of Texas on Septmeber 14 were $255,774,569, which is an increase of more than $39,000,000 since June 30. Summing it up it will be seen that the State banks of Texas are generally in a splendid condition."

There were 956 State banks included in the call of June 30 and 948 in that of September 14, a decrease of eight. The total of resources and of liabilities were $237,369,069 on September 14 which was an increase of $35,540,470 over June 30.

NAVASOTA BREAKS GROUND ON $250,000 MUNICIPAL IMPROVEMENT PROGRAM

Navasota, Oct. 14.—Ground was broken last week and work is now in progress on Navasota's $250,000 municipal improvement program, which will include the installation of a system of storm sewers throughout the entire city and the laying of approximately 80,000 square yards of concrete paving.

The work that was started last week is on the storm sewer part of the project. Smith. Brothers, Inc., the contractors, have a large crew of men on the job now and more will be added later as the work gets under way. As soon as the laying of the sewers has gone far enough work on the paving will begin. The paving contract, which has already been let, provides for the laying of concrete in the entire business section of the city and part of the residence section. As soon as the present contract is completed the money is available for considerable additional paving and before the work is finished, Navasota will be one of the best paved small cities in Texas.

NOTICE OF CONSTABLEL'S SALE OF REAL ESTATE.

By virtue of alias execution issued out of the Justice's Court of Precinct No. 1, Milam county, Texas, on the 8th day of October, 1923, on a judgment for One Hundred Sixteen ($116.00) Dollars and the costs of suit rendered for plaintiff in said Court on 27th day of December, 1915, and against defendant in cause No. 1362, styled T. S. Henderson, plaintiff, vs. T. J. Neeley, defendant, and directed and delivered to me as constable of said Precinct, I did on the 8th day of Oct. 1923, levy upon the following described tract of land in Milam county, Texas, as the property of defendant T. J. Neeley:

One acre on the D. Monroe Original Survey one mile north of Court House, known as the Neeley Place, and begins on the West line of a 9 acre tract conveyed to John Barker by Wesley Miller and wife, a stk. 150 vrs. N. 19 E. from S. W. cor. of said 9 acre tract; thence N. 19 E. 75 vrs.; thence S. 71 E. 75 vrs; thence S. 19 W. 75 vrs; thence N. 71 W. 75 vrs. to the beginning and is the same land conveyed to Tom J. Neeley by J. N. Luce and wife by deed of record in book 117, uage 121, Deed Records of Milam county, Texas; and the same will be offered for sale under said levy at the Court House door of Milam county, Texas, in the City of Cameron on the 6th day of Nov. A. D., 1923, same being the first Tuesday in said month between the hours of 10 o'clock a. m. and 4 o'clock p. m., at public auction, to the higest bidder, for cash, and will be sold to satisfy said judgment and costs.

Witness my hand this 8th day of October, A. D., 1923.

CHAS. SENS,
Constable of Precinct No. 1, Milam County, Texas. 24-4t.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Milam County—GREETING:

You are hereby commanded to summon Louis Alexander by making publication of this citiation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam County, to be holden at the courthouse thereof in Cameron, on the 12th day of November, 1923, the same being the Second Monday in November, 1923, then and there to answer a petition filed in said court on the 16th day of December, 1919, in a suit, numbered on the docket of said court No. 8098, wherein Winnie Alexander is plaintiff and Louis Alexander is defendant said petition alleging: Suit for divorce on the statutory ground of three years abandonment, and for custody of their six children, Nora, Lillis, Sherman, Vernell, Druell and Fannie Belle Alexander, and for costs of suit and general relief.

Herein fail not, but have before said court on the said first day of the next term thereof, with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas.

Given under my hand and the seal of said court, in Cameron, this the 8th day of October, A. D. 1923.

PENN WOLF, Clerk
of the District Court, Milam County, Texas. 24-3t

STOP RHEUMATISM WITH RED PEPPER

When you are suffering with rheumatism so you can hardly get around just try Red Pepper Rub and you will have the quickest relief known.

Nothing has such concentrated, penetrating heat as red peppers. Instant relief. Just as soon as you apply Red Pepper Rub you feel the tingling heat. In three minutes it warms the sore spot through and through. Frees the blood circulation, breaks up the congestion—and the old rheumatism torture is gone.

Rowles Red Pepper Rub, made from red peppers, costs little at any drug store. Get a jar at once. Use it for lumbago, neuritis, backache, stiff neck, sore muscles, colds in chest. Almost instant relief awaits you. Be sure to get the genuine, with the name Rowles on each package.

WE CARRY IN STOCK—

Excello Weed and Timber Killer

KILLS ALL TREES, SPROUTS AND NOXIOUS PLANTS

It is a concentrated chemical in liquid form, for clearing the farm of all wild onions, garlic, wild rhubarb, Canadian thistle, morning glory vines, Johnson and Bermuda grass and other noxious weeds. The Excello Timber and Weed Killer is unequaled and excells any imitation on the market. It is a salvation to the farmer whose land is infested with these pests of vegetation.

In permanently destroying dandelion, platain and other pest plants on lawns, caution should be used in applying Excello Timber and Weed Killer, so as not to kill lawn grasses surrounding them. It only requires a few drops applied directly to the center of these plants. We manufacture a specially designed sprayer or dropper, that we recommend to be used in exterminating such plants that affords a portection to the lawn grasses.

Driveways in parks and in cemeteries are kept clean of weeds by spraying with an ordinary sprayer or sprinkler. Weeds on vacant lots can be quickly and economically destroyed by spraying, and is far cheaper and more efficient than mowing.

One application of this liquid is sufficient for the season. Directions on the container.

ROBS CALOMEL OF NAUSEA AND DANGER

MEDICINAL VIRTUES RETAINED AND IMPROVED—DANGEROUS AND SICKENING QUALITIES REMOVED PERFECTED TABLET CALLED "CALOTABS"

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "calotabs." Calomel, the most generally useful of all medicines thus enteres upon a wider field of popularity,—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water,—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original sealed packages, pure 35 cents for the large family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs. (H)-tf

I have rented the Hotel formerly run by Charlie Normant at the S. A. & A. P. Depot. The hotel will be fixed-up throughout, and will be in first class condition—second to none in Cameron. I will have furnished or unfurnished rooms for rent at a moderate cost.

You will find service and satisfaction at a moderate cost at the new Hotel.

Phone me at 360.

Mrs. M. L. Everett
YOUR BUSINESS WILL BE APPRECIATED.

THIRTEEN ARE PARDONED BY GOVERNOR PAT NEFF

ANNOUNCES CLEMENCY FOLLOWING PERSONAL INVESTIGATION OF CONVICTS.

Austin, Texas, Oct. 13.—As a result of his personal investigation of convicts during his recent ten day's tour of inspection of the penitentiary farms, Governor Neff announced Saturday he had granted 13 pardons. Six of those pardoned were white men, 3 were Mexicans, 3 were negroes and one was listed on the official records of the penitentiary as a "white Indian."

Governor Neff stated that all of those pardoned, except two, were inmates of the prison hospital or of the farm where consumptives are kept. These pardons, thus issued, state that these convicts were "suffering from malignant and probably incurable diseases." The governor stated that satisfactory proof had been submitted to him that these sick convicts had relatives who were both able and willing to take care of them. One of these convicts goes to Mexico, one to California, one to New Mexico, one to Oklahoma, and one to New York, while the remaining six will be cared for by relatives in Texas.

The two pardons granted not of those in the hospital or consumptive farm, were granted to two convicts as a recognition of meritorious services rendered, the governor said.

"One of these two was a negro who had served 14 years in the penitentiary, and who a short time ago prevented the escape of a large number of penitentiary convicts. The pardon was grantd him as a recognition of this service rendered to the penitenitiary authorities," said Gov. Neff. The other pardon was to a white convict who had served a considerable portion of his time, and the governor in his pardon proclamation, recites that this convict "is a physician and surgeon and that the penitentiary commission reported that this man had rendered more service to the penitentiary system during the past few years than any one else in the pnitentiary," especially during a "flu" epidemic. The governor stated that in recognition of the "efficient and unselish service rendered," he had seen fit to grant this pardon. This man was convicted from Memphis, Texas.

With the exception of three pardons granted, these thirteen were the first that have been granted by the governor since December of last year. These three pardons granted were termed by the governor "emergency pardons," one being granted beause the officials who tried the case certified to the governor that new facts had developed, which caused them to believe that the defendant was not guilty; another was to a person who was in such physical condition that he could not be taken to the penitentiary while the third was a white woman who was soon to become a mother, the governor stating that the child "had a right to be born somewhere else than in the penitentiary."

SENATOR CAMERON "CALLED DOWN" AGAIN ON "PROSPERITY STATEMENT.

Optimistic statements made by Senator Cameron (Rep. Ariz.) regarding "a wave of prosperity" on the Pacific Coast and his assertion that the distress of farmers in the Northwest is not so great as their leaders represent it are challenged in a letel which he has received from Otto D. Drain of Portland, Oregon.

This is the second time within a few months that Senator Cameron has been brought to book for his attempts to defend his party by deying or belittling the seriousness of agricultural conditions throughout the country. On a previous occasion he blamed farmers themselves for many of their difficulties. They were "spending too much time 'flivvering.'" Senator Cameron said.

"Senators who have failed in their duty to the West can not divert the minds of the people from the vital issues which concern them by making assertions and statements which they surely must know are inconsistent with the facts," Mr. Drain wrote to Senator Cameron.

AN ORDINANCE.

AN ORDINANCE regulating the care, production and sale of milk; providing a penalty and declaring an emergency, and repealing all ordinances or parts of ordinances in conflict herewith:

Be it enacted by the City Council of the City of Cameron:

Section 1. No person shall engage in the sale of milk or cream in the City of Cameron, Texas; ship the same into the City for sale, or supply to anyone for use in the City unless he shall obtain a permit from the board of health so to do. A fee of fifty cents (50c) shall be charged for each permit. Permits shall be renewed every six moths. On or before the first day of September, and the first day of March of each year hereafter, permits shall be issued by the sanitary officer for the ensuing half-year to all applicants who comply with the provisions of these rules and regulations regulating the sale of milk or cream in the City of Cameron, Texas, but before the issuance of any permit every vendor or shipper of milk or cream shall make application therefor, upon a printed form provided by the board for the purpose, on which shall be stated:

(a) The name, residence, postoffice address and location of the business or places of the applicant.

(b) The number of cows from which milk is obtained for sale, and the kind of food which the cows are given.

(c) If the applicant buys part or all of his milk supply, the names and addresses of all persons from whom he obtains milk or cream.

(d) If the applicant be a shipper of milk or cream into the City, he shall, in addition to the above, state the route of his shipments.

(e) If any person or corporation licensed under the provisions of the ordinance shall change the location of his or its place of business a written notice of such change shall be given forthwith to the board of health, and no business shall be conducted or carried on, under such license at such new location until such notice shall be given as herein provided. Provided, that this ordinance shall not be part of the milk thereof, at the same time, by the members of the same family. Two or more cows shall constitute a dairy within the meaning of this ordinance.

If any person engaged in the sale of milk or cream after the said first day of September or March in any year, he shall forthwith make application for a permit for the remainder of the half year, complying with the above regulations.

The Sanitary officer shall not issue any permit unless he is satisfied with the cleanly and sanitary condition of the stables, cows, wagons, the keeping of one cow and selling of milk or cream, the board of health officer shall become satisfied that the store or place of business of the applicant therefor, and with all the utensils used by him from which his milk or cream is obtained; and that the food given the cows is pure and wholesome, and that all persons engaged in the care and handling of the milk are free from any contagious diseases, and said persons use due cleanliness in their work.

All applications for permits shall be signed by the applicant. The permit fee shall accompany the application.

If, after issuing a permit to sell construed as requiring a license for provisions of this subdivision of the ordinance are being violated they shall, at once revoke the permit issued to such person or persons, and no new permit shall be issued until all unsanitary conditions have been rectified, and all other porvisions of this subdivision of the ordinance are complied with.

Sec. 2. No person shall offer for sale any milk that is impure, filthy, adulterated or unwholesome, as herein provided.

Sec. 3. No person shall bring into the City for sale or shall sell or offer for sale any milk:

(a) Containing more than 88 per cent of water or fluids.

(b) Containing less than 12 per cent of milk solids.

(c) Containing less than 3.25 per cent of milk fats.

(d) From which any part of the cream has been removed.

(e) Having a specific gravity of less than 1.029.

(f) Containing any dirt, foreign matter or sediments.

(g) Containing any baracic or salicylic acid, formaldehyde, hydrogen, peroxide or other foreign chemicals.

(h) Containing any pathogenic bacteria.

(i) Containing bacteria of any kind, more than 50,000 per cubic centimeter.

(j) Drawn from any cow having a communicable disease, or showing clinical symptoms of tuberuclosis, or from a herd which contains any diseased cattle or are affected with or exposed to any communicable disease.

(k) Drawn from any cow which has been fed on garbage, refuse, swill, moist or other improper food.

(l) Which has been kept under conditions contrary to tht provisions of this ordinance.

(m) No milk shall be kept, sold, offered for sale, or drawn from cows suffering with sore and inflamed udders and teats, or from disased cows.

(n) Drawn from any cow within fifteen days before, or nine days after parturition.

(o) No milk in partially filled bottles shall be sold or offered for sale, and no bottles shall be filled, capped, or re-capped outside of the dairy building, regularly used for this purpose.

City of Cameron, Texas, from a dairy which does not score 50 or

(p) No milk shall be sold in the over, according to B. A. I. score card.

(q) The minimum composition of milk shall be as follows:

Solids (not fat,) 8.5 per cent.

Milk fat, 3.25 per cent.

Skim milk to contain 9.20 per cent, total solids.

(r) Any milk dealer found guilty of selling or offering for sale adulterated or impure milk shall, after second offense, be refused license to sell milk in the City of Cameron, Texas.

(s) The term "filthy" shall be deemed to apply to milk not securely protected from flies, dust and dirt, and as far as may be necessary by all reasonable means from foreign or injurious contaminations. Provided, that subdivisions A, B, C, and D, shall not apply to milk sold under the title of "skimmed milk."

Sec. 4. The milkers must thoroughly wash and wipe their hands and the cows udder before they begin milking. Their outer garments must be clean and a washable material. They must not use pails, cans strainers, etc unless they have been thoroughly washed in hot water, and soap, or hot water and soda and afterward sterilized with boiling water or steam. Care must be taken that the seams of the vessels are thoroughly cleansed with a brush. They must refrain from milking or handling milk in any way when in themselves or their families there is even suspicion of any contagious or infections disease, such as small-pox, scarlet fever, diphtheria, typhoid fever, tuberculosis or the like, and all employees are subject to physical examination at any time.

Sect. 5. Immediately after milking, the milk shall be removed from the stable into a milk room screened from flies and other insects, aerated and cooled to at least 50 degrees temperature, and put into perfectly clean bottles or cans.

The milk house or milk room must, at all times, be kept in a clean and sanitary condition. Dairymen, who use both bottles and cans in delivering milk shall not fill bottles while on their route. All milk and cream sold in the City shall be delivered with a temperature not to exceed 60 degrees Fahrenheit.

Any person, firm or corporation licensed under the provisions of this ordinance shall not use,or cause,or permit to be used any can, bottle or other receptacle, which has upon it the name or label of any other person, firm or corporation licensed under the provisions of this ordinance.

Sec. 6. Each dairy shall be provided with a properly constructed milk house, provided with a wire screen for doors and windows, and ample arrangements for heating water, and it shall not be used for any purpose other than handling milk products; said house shall have a properly constructed sink, at which bottles, cans and other utensils, used in handling milk may be washed, and shall be provided with a drain pipe carrying all waste water at least 100 feet from the milk house, water supply and barn. Said milk house shall be at least 50 feet from any cow stall or stable.

Sec. 7. The stable shall be so constructed that the cows have plenty of air space and light and should be painted in some light color or white washed twice a year. The stables must be kept free from dirt, dust, cob-webs, and odor, and the ceiling must be dust tight.

Sec. 8. All cans or bottles used in the distribution of milk must be thoroughly cleaned, either by hot water and soap, or hot water and soda, or other alkalies, rinsed and sterilized by boiling water or steam before they are again used as recep tacles for milk; extreme care must be exercised in cleaning the faucets to cans by use of a brush. No person shall use a milk bottle for other than milk purposes.

Sec. 9. Should scarlet fever, smallpox, diphtheria, typhoid fever, tuberculosis or other dangerous or infectious diseases occur in the family of any dairymen or among any of his employees, or in any house in which milk is kept for sale, or in the family or among the employees of any person who ships milk into the City for sale, such dairyman, such vendors or shippers of milk shall immediately notify the health officer, who shall at once investigate and order the sale of such milk stopped or sold under such regulations as he thinks proper.

Sec. 10. The board must require a certificate from a licensed veterinarian, showing the cows furnishing milk brought for sale within its jurisdiction are free from tuberculosis or other dangerous diseases. Each animal in the herd must be tested once each year for tuberculosis, unless one or more reactions are found; then such animal shall be tested every six months until two complete tests are made and no reactions are found. Each animal shall have an ear tag showing date of test and result thereof.

Sec. 11. The milk or dairy inspector, the health officer, or any other person authorized by the board of health may examine all dairy herds, utensils for handling milk of all dairymen, or other persons engaged in selling or shipping for sale milk or cream to the City of Cameron, Texas. These inspectors or health officers shall have power to open any can, vessel, or package containing milk or cream, whether sealed or otherwise, or whether in transit or otherwise, and take samples of the milk or cream for testing or analysis; and, if upon inspection, the milk or cream is found to be filthy, or cans or other containers are in an unclean condition, the said inspector or health officer may then and there condemn the milk or cream as deemed by him filthy, under the provisions of this ordinance, and pour the contents of such bottles, vessels or packages upon the ground forthwith, and he shall, if done in good faith, not be held liable in damages therefor, in any suit or demand made thereupon.

Sec. 12. Milk shall be kept at a temperature below fifty degrees Fahrenheit. No milk or any of its products, except butter, shall be handled, stored, or sold from any building used as a residence. All surfaces, floors, walls, and ceilings shall, at all times, be kept clean. Windows and doors shall be screened for the prevention of flies and dirt. Refrigerators and ice boxes shall have their surface lined with porcelain or metal substance. No other food products shall be stored in refrigerators or ice boxes with milk products. Utensils must be clean, free from rust and rough substances, and must be sterilized in inner and outer surfaces by exposure to a tempertture of not less than 212 degrees Fahrenheit before receiving milk.

Sec. 13. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

Sec. 14. Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor,and shall, upon conviction thereof, be fined not less than One ($1.00) Dollar, nor more than Fifty ($50.00) Dollars, and each day's offense shall constitute a separate offense.

Sec. 15. The fact that there is no adequate ordinance regulating the care, proudction and sale of milk creates an emergency and an imperative public necessity that the rule requiring ordinances to be read on three several days be and the same is hereby suspended, and that this ordinance take effect from and after its passage and it is so ordained.

Increased Driving Comfort Provided in Buick "Fours"

In adjusting the position of the driving seat, in lowering the steering column and in bringing the shift lever and emergency brake within the easiest possible reach of the driver's hand, Buick has provided additional comfort and satisfaction in the new four-cylinder models. Ease of handling is also an outstanding feature of the new Buick "four". In heavy traffic the abundant power of the famous valve-in-head engine and the quickness with which the car responds to every control enable it to glide in and out of traffic with the utmost facility, while Buick four-wheel brakes assure perfect braking and safety under all conditions.

"When Better Cars are Built Buick will Build Them."

Schiller Buick Co.

AN ORDINANCE.

AN ORDINANCE requiring the yearly vaccination against rabies of all dogs owned or kept within the limits of the City of Cameron, Texas, by the owner, keeper, or caretaker of said dog; providing for the registration of the time of vaccination of each dog by the Sanitary Officer of the City of Cameron, and the furnishing of a tag for each dog indicating such vaccination and date thereof; providing for fees for such vaccination and registration and tag; providing for a penalty for the violation of the provisions of this ordinance; and declaring an emergency.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS:

Section 1. That it shall hereafter be unlawful for the owner, keeper or caretaker of any dog to own, keep, or maintain any dog within the limits of the City of Cameron, Texas, for a longer period of time than 15 days, without having first having said dog vaccinated against rabies; that any owner, keeper, or caretaker of any such dog shall fail or refuse to have such dog so vaccinated, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than one hundred dollars.

Sec. 1. That it shall be the duty of the Sanitary Officer of the City of Cameron, to vaccinate against rabies all dogs at the request of the owner, keeper, or caretaker thereof, upon the payment by said owner, keeper, or caretaker of a fee of $2.50, and to deliver to said owner, keeper, or cartaker a suitable tag showing the name of the owner, keeper or caretaker, name of the dog and the date of the vaccination, said tag to be suspended from the neck of said dog. It shall further be the duty of said Sanitary Officer to keep in a record book, well-bound and strong, a record of the names of the owners, keepers and caretakers of all dogs vaccinated, the names of said dogs, the dates of vaccination, and the fees charged. Provided, however, that if the owner, keeper or caretaker of any dog shall refuse to comply with the provisions of this ordinance the Sanitary Officer shall take up the dog, vaccinate same and hold for a period of 13 days and, upon failure by the owner, keeper or caretaker to pay the fee then to destroy said dog.

Sec. 3. It shall be unlawful for the owner, keeper or caretaker of any dog which has been vaccinated against rabies as required under Section 1 of this ordinance, to permit said dog off any premises on which said dog is kept or maintained in the City of Cameron, Texas, without said dog having attached and suspended from its neck said tag showing the name of the owner, keeper or caretaker, name of the dog and date of vaccination; and any person violating this section of this ordinance shall be guilty of a misdemeanor, and shall, upon conviction thereof, be punished by a fine of not more than one hundred dollars.

Sec. 4. That the terms "owner, keeper or caretaker" of a dog, as used in this ordinance, shall include not only the actual owner, keeper or caretaker of a dog, or dogs, but shall include the parent, guardian, and custodian of any minor, who is permitted by said parent, guardian or custodian, to own, keep or maintain any such dog or dogs.

Sec. 5. That vaccination of any dog under this ordinance may be lawfully done by the Sanitary Officer of the City of Cameron, who shall be a qualified veterinary surgeon, or by any other veterinary surgeon, qualified and licensed under the laws of the State of Texas to practice veterinary surgery within the State of Texas; provided that where vaccination is performed by any other than the Sanitary Officers, said veterinary so vaccinating any dog shall issue a sworn certificate to the owner, keeper or caretaker of said dog, showing owner's name, dog's name, and date of vaccination, and shall certify to the proper vacination against rabies of said dog. Upon the presentation of said certificate to the Sanitary Officer, the name of the owner, keeper or caretaker, name of the dog, and the date of vaccination shall be entered in the Vaccination Record Book, and the date of said certificate and the veterinary issuing same, shall also be entered.

Sec. 6. The fact that there is no adequate ordinance providing for the vaccination of dogs against rabbies creates an emergency and a public imperative necessity that the rule requiring ordinances to be read on three separate days be and the same is hereby supended, and that this ordinance take effect from and after its passage and legal publication and it is so ordained.

J. B. WHITE,
Mayor of the City of Cameron.

THE STATE OF TEXAS.

CRAZY MEXICAN SHOWS UNUSUAL ENDURANCE.

Deputy Sheriff Kennedy, of Cameron was here the first of the week and stated that the Mexican, Jose Mayanas, who was shot three times at Milano last week, as told of in the Reporter, was doing well and would apparently recover.

Mayanas' wounds would have killed any ordinary man, according to Mr. Kennedy. One bullet laid open his skull across the forehead above the eyes. In dressing this wound the physicians removed several pieces of the skull and a considerable portion of the man's brain. Another bullet pierced the Mexican's bowels, while a third entered his leg. Not only did he never lose consciousness but up until Sunday his wounds had not even caused him to have a temperature.

The other Mexican, Felipe Garcia, who was stabbed by Mayanas in the fight, is suffering from a number of deep knifewounds and is badly hurt.

The white man who came to the rescue of Constable Boggan and shot Mayanas while he was attacking the officer with his knife, was J. McIlvain, of Cleveland, Texas. McIlvain picked up the officer's pistol after he had been caused to drop it, disengaged the jammed shell, and fired the shots which struck Mayanas in the leg and head, the Constable having wounded him in the stomach with his first shot.

The grand jury was in session that day, and after investigation the affair returned an indictment against Mayanas, charging him with assault to murder. According to all accounts Mayanas was crazy and attacked Garcia without provocation, afterwards attacking Boggan when he attempted to effect an arrest.—Rockdale Reporter.

CREAM FOR CATARRH OPENS UP NOSTRILS

Tells How To Get Quick Relief from Head-Colds. It's Splendid!

In one minute your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh will be gone.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh—Relief comes so quickly.

HARDWARE COMPANY TO PUT IN MODERN FRONT

MILAM COUNTY HARDWARE CO. LETS CONTRACT FOR IMPROVEMENTS.

At a cost of $2100 the Milam county hardware vompany let the contract Saturday to J. F. Brown of Cameron for the erection of a modern plate glass front for their store here.

The front will be a combination of marble and plate glass and will be strictly modern in every detail. The plans for this front were made by Paul S. Cilbers of San Antonio, architect for the Methodist church building in Cameron.

The front will provide large show windows for displaying goods of all kinds carried in stock and will add greatly to the appearance of the building.

With the completion of the Cameron State Bank building and the new front in the Louis S. Pierce dry goods store and the new awning for the B. J. Baskin & Son store the block is one of the most attractive in the city.

The business of the Milam County Hardware Company is under the active management of Judd Davis and A. C. Freeman.

CITY BEAUTIFUL PLANS AT LAMPASAS PROVIDES FOR PAVING OF MANY STREETS.

Lampasas, Oct. 14.—With cotton producing more than was predicted by the majority of farmers several weeks ago, and with the price holding up well, Lampasas and Lampasas County are facing one of the most prosperous Falls ever experienced.

A spirit of optimism has overspread the county, and is being reflected in the building and improvement activities. Citizens are either making improvements on their homes or planning improvements. Several new homes are being erected. Field Senterfitt has moved into his $10,000 home on Third Street. W. H. McGee, Miss Elsie Moses, Dr. N. B. Taylor and Ed. Young are owners of homes under construction or recently constructed.

In the way of public improvements surfacing an additional 34 blocks of the city streets, has been completed. This gives Lampasas about 58 blocks of surfaced streets or approximately four miles. The improved streets include all business and the more important residence thoroughfares.

The city council soon will let the contract for an extension of the water mains, about 10,000 feet, which will connect every section of the city and result in a considerable reduction in the insurance rate.

Lampasas public schools opened this year with the advantage of improvements to the extent of $40,000, added since the close of the session last year. The new high school is second to none in this section of the State.

A school costing $4,000 was built for negro pupils.

SEAGULLS BLOW INTO ROCKDALE WITH COLD.

Rockdale, Texas, Oct. 13.—Following a sharp norther which blew up after 6 o'clock Saturday, a heavy rain began falling here about 7:30 p. m. Hundreds of seagulls passed over Rockdale about sundown, flying osuth.

STOP THAT ITCHING.

Use Blue Star Remedy for Eczema, Itch, Tetter or Cracked Hands, Ring Worms, Chapped Face, Poison Oak, Sunburns, Old Sores or Sores on Children. It relives all forms of Sore Feet. For sale by all Druggists. tf

U. D. C. OF TEXAS TO MEET AT BELTON OCT. 24.

Rockdale, Texas, Oct. 13.—Important information for those expecting to attend the 27th annual convention of the Texas Division, United Daughters of the Confederacy, to he held at Belton, October 23 to 25, is contained in a letter from Mrs. William B. McGarity, corresponding secretary, Baylor College Chapter, the hostell chapter, to Mrs. Annie Grace Drake, State director of publicity, in which it is stated that all delegates will be entertained in the Baylor College, but, due to limited dormitory accommodations, not the alternates and visitors. However, if alternates and visitors will send in their names to Mrs. McGarity, Baylor College, Belton (College Station), same will be given to a committee of town ladies who will place them in touch with boarding houses, provided they do not wish to stop at a hotel.

Names of delegates should be sent to Mrs. I. S. Myers, chairman entertainment committee, Baylor College, Belton (College Station).

In anticipation of a large number of delegates coming by auto, the statement is made that these cars may be parked overnight near the Baylor Collge power house, where they will be perfectly safe.

Executive board meeting will be held Monday, October 22, at 8 p. m. Delegates will report to credentials committee Tuesday morning, October 23, at 8:30.

The outstanding features of president's evening will be an address by Gen. E. W. Kirkpatrick,, commander in chief of the Trans-Mississippi Department, United Confederate Veterans; an official summary of work accomplished within the past 27 years, conducted by Mrs. J. C. Muse of Dallas, and the president's annual message, by Mrs. E. W. Bounds of Fort Worth.

The general convention of the U. D. C. will convene in Washington, D. C., November 21 to 25, with headquarters at the New Willard Hotel.

CALDWELL BUSINESS MAN FILES ASSIGNMENT DEED.

T. F. Gilley filed a deed of assignment for the benefit of his creditors Friday morning, naming B. P. Atkinson assignee, and turning over his business, etc., to him. Poor crops and bad collections the past few years was the cause of failure.

This was one of the biggest firms of our city and carried many farmers through the hard years we have had, and now is compelled to close its doors for lack of funds with which to pay its creditors, while thousands of dollars are owing to it.—Caldwell Ledger.

FAMOUS THORNDALE TEST IS ABOUT TO BE DROPPED.

Mr. M. A. Culver returned from Houston Tuesday night after a business visit in that city for the past three weeks or more. Mr. Culver says that he has finally arranged matters so that it is possible to have work resumed on developing the test well on the Bremond Ranch provided sufficent acreage can be secured from the owners of the land adjoining the ranch to interest the men who propose to finance the work. It will require considerable money to carry the work to a final finish and no one with money will take hold of the project as it now stands without some acreage leases adjoining the land on which the well is located. Mr. Culver says the former backers have "thrown up the sponge" and it is up to him and the people of this community to do all they can to get the well finished and make a final test of the possibilities of oil. He is sure there is oil and so were his former associates but the former backers got tired of furnishing the necessary money and "threw up the job." The Champion hopes Mr. Culver succeeds in getting the leases his backers now require.—Thorndale Champion.

'Built Me Up

"I USED Cardui for years and it did me more good than any medicine I ever used," writes Mrs. M. C. Ragsdale, of Fort Towson, Okla. "I used to suffer with womanly trouble that weakened me until I was a mere shadow, nervous, and could not sleep. I did not feel like I could live.

"It seemed that nothing helped me till I heard of Cardui and began to use it. It strengthened me and, as 'twas recommended to do, it regulated and built me up till I was like another woman."

If you are weak, run-down and feel that you need a tonic, take Cardui, the woman's tonic, the tonic about which you have always heard, the tonic that helps weak women regain their strength.

Cardui acts on the womanly system and helps relieve pain and discomfort due to female ailments.

Try Cardui, today, for *your* trouble.

CARDUI
The Woman's Tonic

After Every Meal

A universal custom that benefits everybody.

FORD CAR ORDERS PILE UP WITH LOCAL DEALER.

Orders for Ford Automobiles are piling up in the office of Hubert Hefley Motor Company in Cameron. Owing to the unprecented demand for these cars the company here has been unable to supply them.

During the first week in October the company sold and delivered 37 Ford cars, a record never before equaled in the history of the business.

Car sales among all the dealers is above normal and with the high priced cotton sales are expected to continue good.

NOTICE.

This is to give notice to the public that cotton receipts No. 60050 issued in the name of W. A. Belt on the 27th day of September, 1923, by the Cameron Compress Company, for one bale of cotton delivered by him to that Company, has been lost, and that the undersigned is the legal owner and holder of said cotton, and the public is worned not to accept said receipt or to deal with same in the hands of any other person.

W. A. BELT.

Standard Storage Battery

Why we LIKE to install a Standard in your car

Of all the many reasons why we like to install a Standard Battery in your car, first and foremost is this: It's good business—for YOU and for US.

It's good business for you because when you buy a Standard from us you get more battery satisfaction for your money than is possible in any other make. The name "Standard" on your battery means long life, freedom from trouble and top-notch service, here at our service station.

It's good business for us because we know you'll be thoroughly pleased with your Standard. You'll realize that we are selling a worthy product and backing it up with the best kind of service. When we sell you a Standard we make a profit, of course. But we also make a satisfied customer—the greatest asset any business can have.

Cameron Battery Service Station

REPUBLICANS FEAR LOSS UNITED STATES SENATE

HISTORY MAY BE REVERSED IN NEXT NATIONAL ELECTION IN 1924.

Washington, Oct. 14.—The possibility that the republicans may lose control of the United States senate next year, even though they win the presidential election, is causing leaders much worry, and accounts for the conservation regarding committals to candidacies which might disturb party unanimity.

Republican leaders who have been going over the field report that unless a considerable change from the election of 1922 can be effected the democrats are certain to win the senate, though a massing of electoral votes might "save" the presidency. The danger is held to strengthen, rather than weaken the chances of President, Coolidge for the presidential nomination, and as explained here today, account for the efforts of Senator George Moses to dissuade Senator Hiram Johnson from becoming a candidate against Coolidge in the republican primaries.

The feeling in official republican circles is said to be coming to the point that it would be better to nominate Coolidge, even though he might not appear as the strongest candidate to elect, and thereby maintain solid party lines and concentrate the senate.

There is an influential group of republicans who would rather hold control of the senate than the presidency, if one or the other had to be sacrificed. This is explained by the situation which resulted in the latter part of the Wilson administration, when a republican senate was able to block all the Wilson program. It is expected that the league of nations will continue as an issue after the next election,and in regard to that issue the irreconceivable senatorial group is much more sure of itself than it is of President Coolidge. They will support Coolidge, however, unless he shows signs of wavering toward the advocacy of the world court proposal, and even then might accept him if they had reason to believe they could hold the senate.

At the next election, 32 seats in the senate, which is one-third of the entire body, are to be in contest. Of these, 17 are now held by republicans, 14 by democrats, and the other by Mangus Johnson, the farm-labor leader. Of the 14 democratic seats, the republicans concede all but two, these being Senator David I Walsh of Massachusetts, and Senator Thomas P. Walsh of Montana, and against these two they claim only a fighting chance.

There seems little doubt that Tennessee will elect a democrat, through Senator Shields, the incumbent, faces a strong fight for nomination, with the chances better than even that he will be defeated, since he has "played" with the republicans and antagonized the Wilson followers. Remote hope is held by republicans that the Oklahoma disorder may work to their advantage, though this is a hope based on possibility that Senator Owen might be defeated for renomination by Governor Walton. Counting Tennessee and Oklahoma as certain for the democrats, 12 of their 14 senators seeking re-election come from the South.

The republican situation is not so good, for nine of the 17 republican senators up for re-election come from states which in 1922 either elected democratic senators, or having no senatorial seat then in contest, elected democratic state tickets. If these states vote in 1924 as they did in 1922 the demmocrats would control the senate.

The nine states which rejected republicans in 1922 are New Hampshire, Rhode Island, New Jersey, Delaware, West Virginia, Michigan, New Mexico, Colorado and Wyoming. In Colorado two senators are to be elected, one to succeed Senator Phipps, republican, at the expiration of his term, and the other to fill the seat of the late Senator Nicholson, now temporarily held by a democrat, appointed by the governor. In these states New Hampshire and Michigan are normally republican, and West Virginia has been veering that way regularly, but at the best G. O. P. leaders admit they are facing a hard fight, because in states outside the nine, such as Illinois and Idaho, they are in for trouble because of local, as well as national conditions.

OUR STATE DEFICIENCY IS REDUCED TO $3,000,000

NEW LAW REQUIRING MONTHLY STATEMENTS OF FINANCES IN EFFECT.

Austin, Texas, Oct. 13.—The first monthly statement of the State's financial condition, as required under a new law was made public Saturday by Comptroller Smith. It is of date September 30, and shows that on that date the deficiency funds had healthy cash balances. The statement contains an estimate that the deficiency as of September 1, 1924, and estimates 143 and on September 1, 1925, will be $5,835,643.

The statement shows a deficiency in the witness fees account of $247,156 ,as of September 1, 1924, and estimates that deficiency at $427,656 on September 1, 1925. An itemization of September receipts is made in the statement and some of the figures given are as follows:

Available school fund balance, $682,325; permanent school fund balance $306,092; Confederate pensions $598,659; text books $652,634; State highway fund, $1,186,341.

The available school fund is in a far better condition than a year ago and soon a $1 per child apportionment will be made. Last year's apportionment has been paid off, while that of 1921-22 was not satisfied until the end of December, 1922.

There is a large balance in the free text book fund as the controversy over the validity of the last contracts has tied up expenditures.

During September the highway fund received $528,608 from the Federal Government, $105,647 from auto tax and $8,758 from gasoline. It had a balance of September 1 of $543,327.

6-CENT GASOLINE ON SAN ANTONIO MARKET.

San Antonio Express.

Gasoline market was visited by an earthuake Saturday. The price was all the way from 15 cents at a few places to five gallons free with a gallon of lubricating oil at one place.

Kelfer's filling station at 1202 South Flores Street cut by one cent the Atlas Refinery's Friday pirce of 7 cents and was filling automobiles Saturday at 6 cents a gollon.

Most of the major concerns Saturday were selling at 11 cents from filling stations and 8 cents from tank wagons but the Gulf Saturday morning dropped this price one cent and was selling at 7 cents fron tank wagons and 10 cents from filling stations. At the close of the day Saturday automobiles were being supplied at prices all the way from five gallons free with gallon of "lube," 6 cents, 7 cents, 8 cents, 9 cents, 10 cents, 11 cents, 13 cents and 15 cents. The last price prevailed at a place in the south part of the city.

Oil men generally expected something to happen over Sunday. Monday morning was likely to bring most any sort of a readjustment or again it may make the matter w rse. It is generally conceded that the low prices are out of the question from the standpoint of profit. There are only 10 or 12 gallons of gasoline in a barrel of Somerset crude and at $1 a barrel for crude the gasoline would cost 10 cents a gallon without anything for costs and overhead which could not be met by the sale of the recidue as fuel oil.

"THE TARIFF IS THE BUNK" SAYS EDITOR OF THE FARM AND FIRESIDE.

Practically all the leading agricultural journal of the United States are condemning the Fordney-McCumber profiteers' tariff and holding it responsibe for many of the difficulties which are now besetting the farmer. The principal farm organizations are taking the same ground. Senator Capper's publications, which he is using to prevent his defeat by the farmers of Kansas next year, are among the few exceptions to the rule.

George Martin, editor of Farm and Fireside, one of the most influential of the agricultural publications in this country, has recently written an article entitled "The Tariff is the Bunk," in which he declares that the Fordney-McCumber law is costing American farmers $301,000,000 more in higher costs for what they have to buy than it gives them in the way of higher prices for what they have to sell.

"Practically every time you or your wife, or your son or your daughter buy something you can trace part of the unnecessary cost of it to the tariff," says Mr. Martin, addressing the thousands of farmers who read his editorials. "America's agriculture is rapidly revising its tariff policy. Farmers are making up their minds that the best tariff for agriculture is no tariff at all."

The effect of the "protection" given to special interests and big trusts and combines is felt in the prices which the farmers are compelled to pay for the commodities they and their families consume but don't produce.

"The American farmer pays every year an extra $426,000,000 on the things he buys because of the tariff," says Mr. Martin. "So he is really out of pocket $301,000,000—actual, hard, 69-cent farm dollars—by reason of the tariff which Fordney-McCumber, et al., said would help him so much."

NATURE TELLS YOU.

As Many a Cameron Reader Knows Too Well.

When the kidneys are weak
Nature tells you about it.
The urine is nature's index.
Infrequent or too frequent passage,
Other disorders suggest kidney ills.

Doan's Kidney Pills are for disordered kidneys.

Cameron people testify to their worth. Ask your neighbor!

Melvin Weems, E. Second St., Cameron, says: "Whenever I took cold or when there was a sudden change in the weather, my kidneys bothered me by acting too freely. There was a sediment in the secretions and they burned in passage. My back got so lame, the muscles all through it were sore. I had taken all kinds of medicine, but didn't get any help at all. The doctor told me to take Doan's Kidney Pills. I got a supply of Doan's and took them as directed. They cured me and my kidneys have been strong since then."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Weems had. Foster-Milburn
